

Access the Clinic Admin Panel

- 2022-04-13 - VSee Clinic for Admins

VSee Clinic offers practical backend experience. With Clinic Admin access, you or your staff can:

- Check admin dashboard with graphic call reports – export in tabular form
- Manage provider and patient scheduling
- Manage rooms and providers
- Set visit payment amounts, generate invoices and more!

To upgrade with Clinic Admin feature, please contact your account manager or send us a message at [Contact Sales](#).

Accessing the Admin Panel

1. On the upper right of your dashboard, click the **Profile Menu (your name)**.

2. Select **Admin panel**.

Note: Only users with clinic admin access will be able to see this option.
