

Access the Clinic Admin Panel

- 2020-06-02 - VSee Clinic for Admins

VSee Clinic offers practical backend experience. With Clinic Admin access, you or your staff can:

- Check admin dashboard with graphic call reports – export in tabular form
- Manage provider and patient scheduling
- Manage rooms and providers
- Set visit payment amounts, generate invoices and more!

To upgrade with Clinic Admin feature, please contact us at <https://vsee.com/contactsales>

Go to the Admin Panel

1. Please log-in to your clinic.
2. On the upper right of your dashboard, click your name > **Admin panel**. Only users with clinic admin access will see this option.

3. You should be able to view dashboard reports, manage rooms and providers, and many more! Please review related articles.
