VSEE CLINIC ADMIN ACCESS

VSee Clinic offers practical backend experience. With Clinic Admin feature access, you or your staff can:

- Check admin dashboard with graphic call reports – export in tabular form
- Manage provider and patient scheduling
- Manage rooms and providers
- Set visit payment amounts, generate invoices and more!

To upgrade with Clinic Admin feature, please contact us at <https://vsee.com/contactsales>

ACCESS THE CLINIC ADMIN PANEL

1. Please log-in to your clinic.
2. On the upper right part of your dashboard, click your name and choose **Admin panel**. Only users with clinic admin access will have this panel.

3. You should be able to view dashboard reports, manage rooms and providers, and many more! Please review the related articles.
