

Adding and deleting a contact

Ryan - 2020-10-06 - VSee Messenger (Providers and Patients)

1. How to add a contact.

- Hit the contacts icon (Bust icon)
- Hit the plus sign on the right of the search field or type the email of the contact on the search field.
- The person will receive a notification that you are adding them as your contact. the person will show on your list after they accepted the request. see also: <https://help.vsee.com/kb/articles/how-invitation-works>

2. How to delete a contact.

- Hit the contacts icon (Bust icon)
- Right-click on the contact name and hit "Delete Contact"
