[Billing] How to Update Your Billing Information

Francis - 2026-11-10 - FAQs

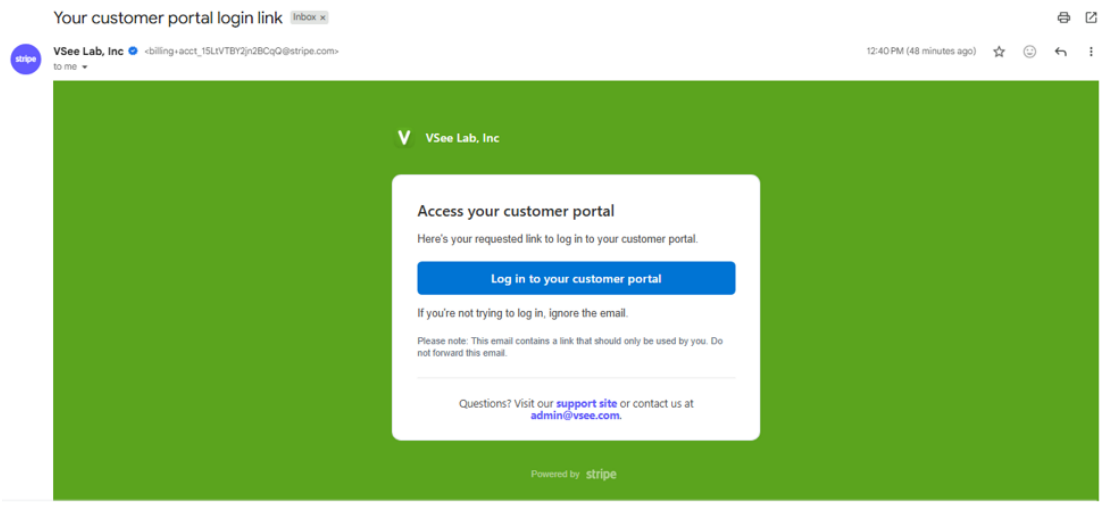

1. Open the Stripe Customer Portal.

2. Enter the email address registered to your account.

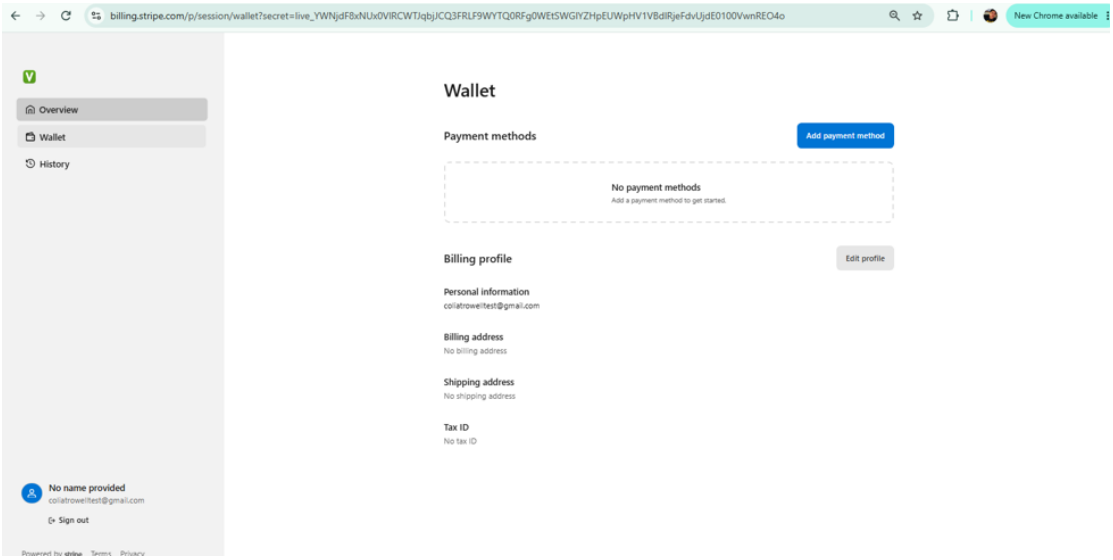

3. Stripe will send a login link to the registered email address.

4. Open the email and click the login link to access your account.

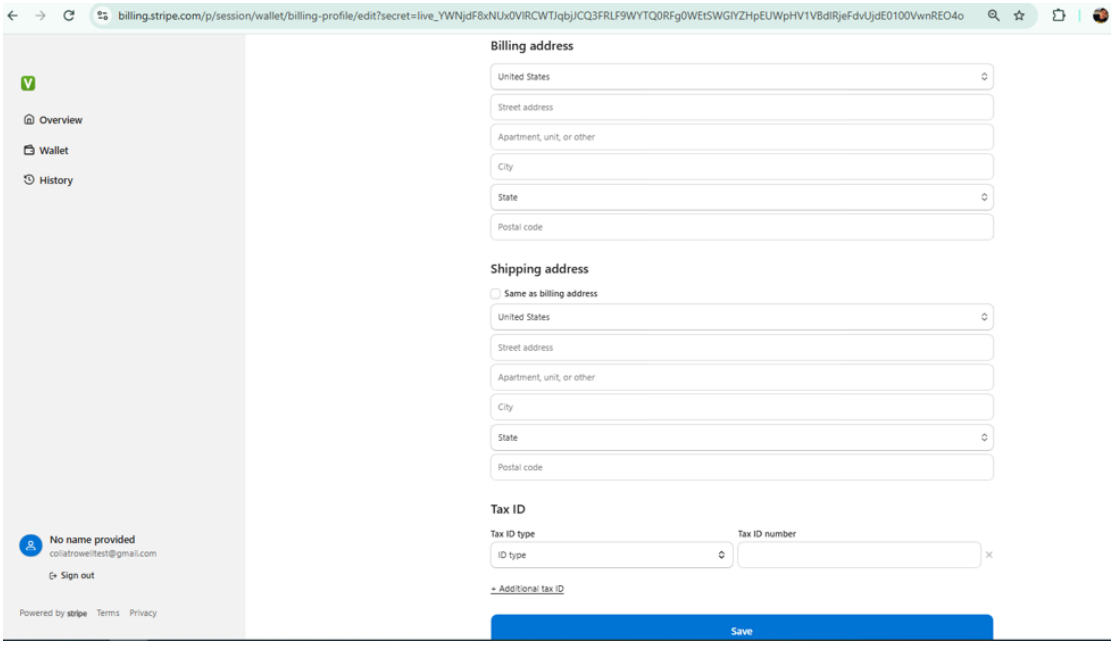

5. Once logged in, click the **Wallet** tab.

6. Click **Edit Profile**.

7. Update the necessary information:

- Billing Address
- Shipping Address
- Tax ID Type / Tax ID Number

8. Click **Save** to apply the changes.

If you have any billing or account questions, please email admin@vsee.com.
