Clinic Admin: Post Visit Survey Responses

- 2020-10-05 - [VSee Clinic for Admins](#)

VSee Clinic offers a standard survey where a patient can give a 1-5 star rating after a telehealth visit. However to view the survey responses, a clinic admin access is needed.

To enable this survey for your clinic, please contact sales@vsee.com.

VISIT ENDED

The video session for your visit has ended.

How would you rate your overall experience with the telehealth visit?

Amazing!

[END VISIT](#)

Where to View Survey Responses

1. Admin panel > **Report**.
2. Choose the date range.
3. Select a waiting room if you want to show responses from a specific room, otherwise keep this blank.
4. Check **Post Visit Survey**.
5. **Search or Export**.
