

Clinic Admin: Post Visit Survey Responses

- 2020-10-05 - VSee Clinic for Admins

VSee Clinic offers a standard survey where a patient can give a 1-5 star rating after a telehealth visit. However to view the survey responses, a clinic admin access is needed.

To enable this survey for your clinic, please contact sales@vsee.com.

VISIT ENDED

The video session for your visit has ended.

How would you rate your overall experience with the telehealth visit?

Amazing!

END VISIT

Where to View Survey Responses

1. Admin panel > **Report**.
2. Choose the date range.
3. Select a waiting room if you want to show responses from a specific room, otherwise keep this blank.
4. Check **Post Visit Survey**.
5. **Search** or **Export**.
