# Clinic Admin: Set Waiting Room Visit Options

- 2023-07-27 - FAQs

1. Please log into your clinic.

2. Click on your name > choose **Admin panel**.

3. **Rooms >** Search and edit the room.

4. **Visit Options** tab.

Input the visit description, duration and fee (if any).
Select eConsult from the **Consultation Type** dropdown if it is for a non-video or asynchronous visit.

5. Click **Update** to save.
