Create or Sign Up for a VSee Messenger Account

- 2025-07-24 - [VSee Messenger \(Providers and Patients\)](#)

VSee Messenger can be used by anyone by signing up for an account. Providers and Patients may take advantage of our Free Messenger Plan to communicate and do online visits/sessions in a secure and HIPPA-protected environment. Below are some of the ways you can sign up for an account.

Sign Up Through the VSee Website

1. Please go to [HIPAA Compliant Video Call and Messenger](#)
2. Click **Try the Free App**
3. Type in the **email address** you want to use for your account
4. Then click **Get Free VSee Messenger**

5. An activation link will be sent to the email address you provided. Open the email then click on **Complete Signup**.

6. You will then be brought to this page to fill out your information. Once done, click on **Register** to finish setting up your account.

The screenshot shows a registration form titled "Complete your signup". The form includes four input fields: "First Name", "Last Name", ".....", and "Confirm Password", each with a small "i" icon to the right. Below the input fields is a dropdown menu titled "What do you plan to use VSee Messenger for?" with the option "Others" selected. A note at the bottom left states: "By registering, you agree to the Terms and Conditions set out by this site, including our Cookie Use." A checkbox "Send me expert telemedicine tips, case studies, & educational events to my inbox" is present. A green "REGISTER" button is at the bottom, with a red box highlighting it.

Once you finish the signing up process, the installer for the app will be automatically downloaded. You may go to this [link](#) for further details on this.

Sign Up Through an Invite Link

Users with a registered account can send an invite to anyone to join them using the VSee Messenger app. This will also allow them to add people who are not yet using VSee Messenger to their contact list. Below are the steps of how to accept this invite.

1. Open the email with the invite link
2. Click on the **Accept Invite button**

3. You will then be brought to this page to fill out your information. Once done, click on **Register** to finish setting up your account.

It contains four input fields: "First Name", "Last Name", ".....", and "Confirm Password". Below these fields is a dropdown menu "What do you plan to use VSee Messenger for?" with the option "Others". There is a note: "By registering, you agree to the Terms and Conditions set out by this site, including our Cookie Use." and a checkbox "Send me expert telemedicine tips, case studies, & educational events to my inbox". At the bottom is a large green "REGISTER" button.

Once you finish the signing up process, the installer for the app will be automatically downloaded. You may go to this [link](#) for further details on this. The person that sent you the invite link will also be automatically added to your contact list once you log in to your account.

If you are a PATIENT and not sure what app to sign up for, please go to
