

Deactivating a User

Jay-Ileen (Ai) - 2023-07-21 - Clinic Admin Guides

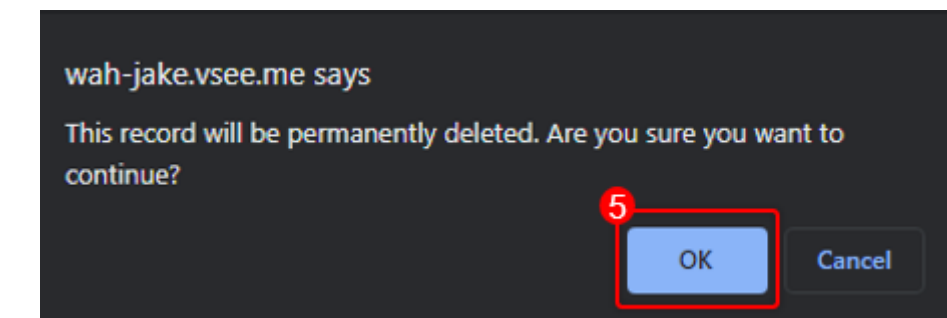

How to Deactivate/Delete a User

An administrator can deactivate users who no longer require access to the clinical portal.

1. On the menu bar, click **Users**.
2. You can search for the Clinician or Patient using their Full name or Email address.
3. Click **Search**.
4. Under the selected Clinician's Action column, click on **Delete**.

5. Click on **OK** to confirm the deletion of the account.

Take note, that once deleted, the data can no longer be recovered.
