

Delete Your Account

Jay-Ileen (Ai) - 2023-07-25 - Patient Guides

[How to delete your account](#)

We hate to see you go. If you have decided not to use the decision to exit the Welch Allyn Home app any longer, you have the option to can delete your account. Please take note though that once you delete your account, you will no longer not be able to log in to the Welch Allyn Home app again.

1. Touch Profile.
2. Touch **Delete account**.

You will see a notification informing you what will happen when you delete your account.

Take note, deleting your account removes all saved readings.

1. Type **DELETE** on the field to delete your account.
2. Touch **Delete My Account** to confirm.

You have now successfully deleted your account and you can no longer log in.
