Enable Camera and Microphone Access in Safari Mobile (iOS)

Jay-Ileen (Ai) - 2022-01-14 - VSee Clinic for Providers

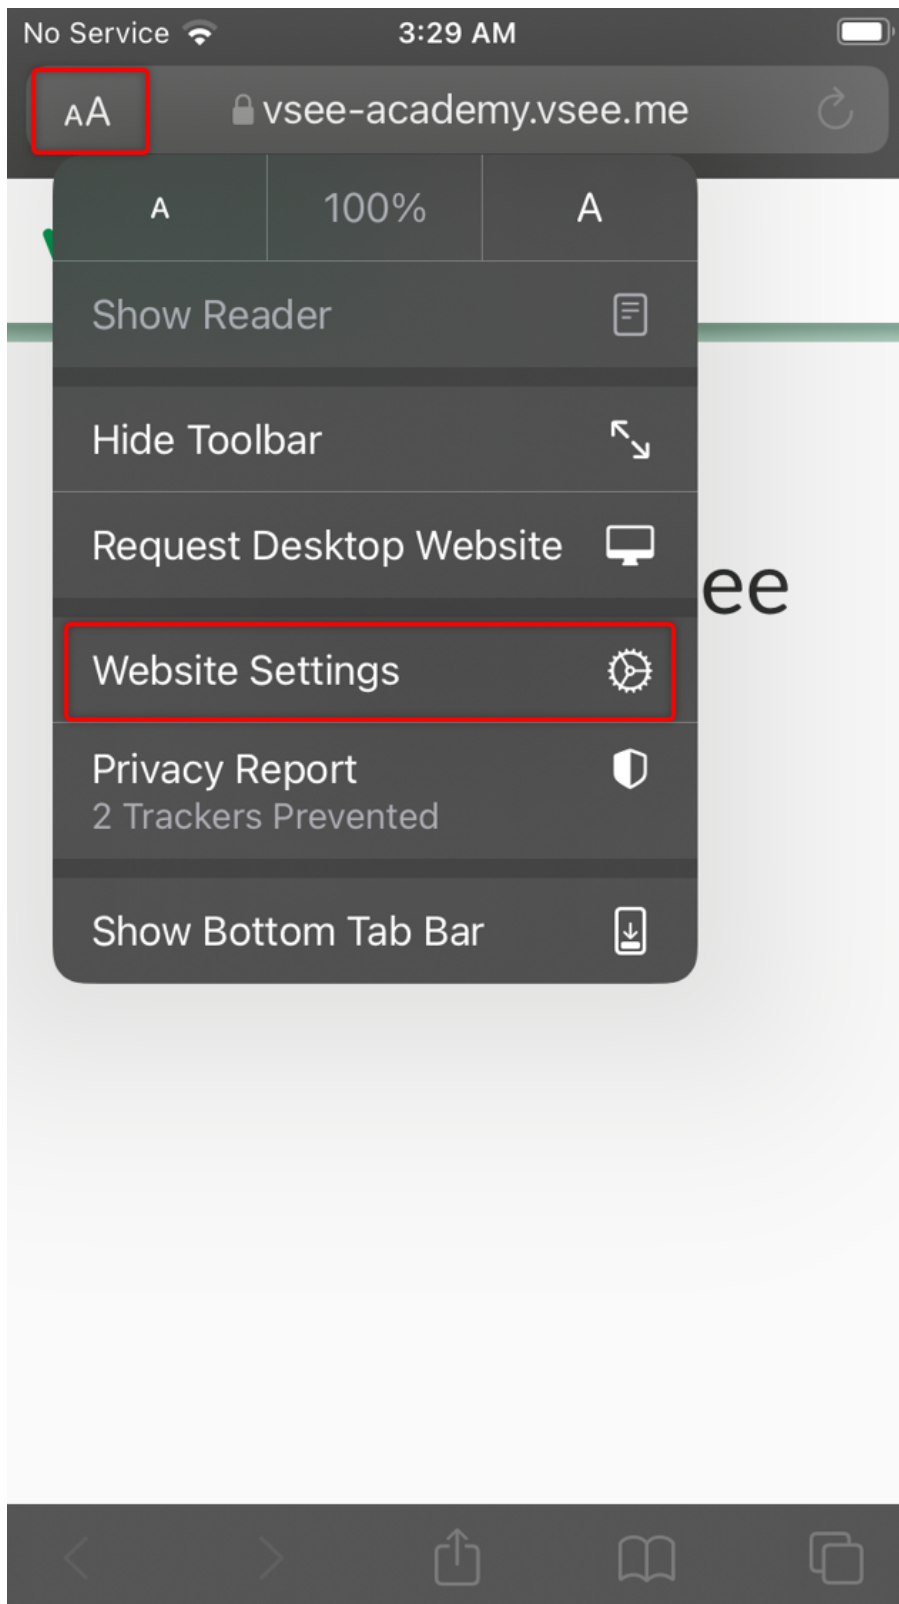

DEVICE SETTINGS

1. Go to Settings on your device.
2. Look for Safari.
3. Make sure the Camera and Microphone are set to Allow.

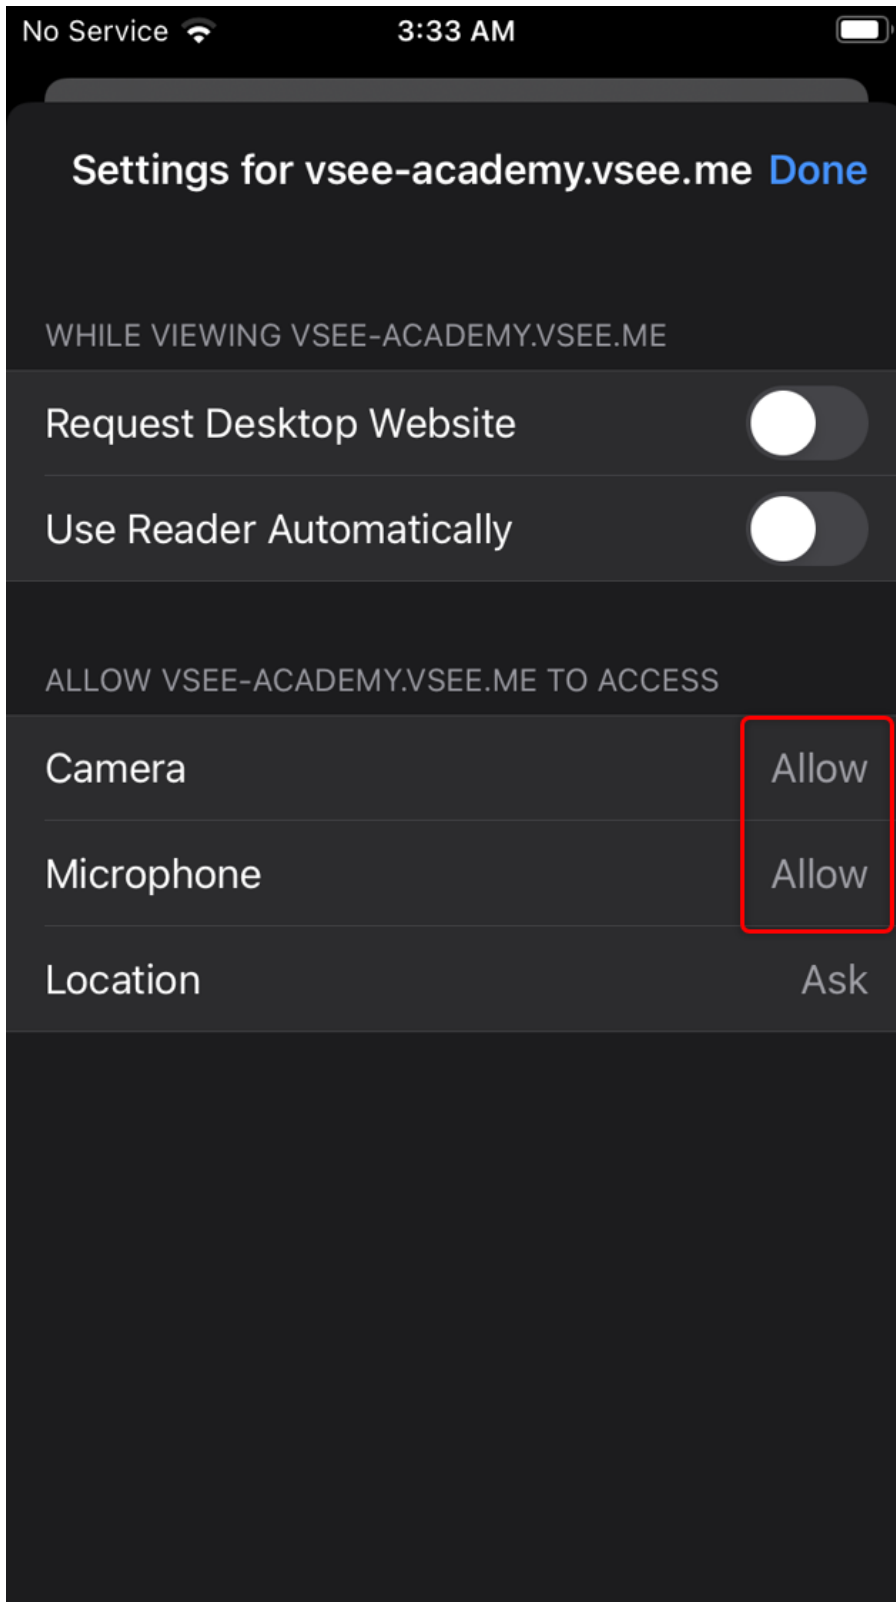

SAFARI SETTINGS

1. Open your Website Settings from the clinic webpage.

2. Make sure the camera and microphone are set to Allow.

3. Click Done and try entering the waiting room again.

If the problem persists, please contact us [here](#).
