Forgot Password Joel Barcillo - 2023-07-25 - Patient Guides

Follow these steps in case you forgot your account password:

1. From the log in page, click on Forgot Password

2. Enter your email address and click **Reset Password**.

3. Check your email. If you can't find the reset password email in your inbox, try checking your spam folders. Click the **Set Password Now** link in the email.

4. The link will continue the process on your default browser. Enter your New Password

RESET YOUR PASSWOR	RD.
New Password ③ Passw	ord requireme
Confirm Password	

Take note, your password must meet the following requirements:

-contain at least eight characters

•

- include at least one uppercase character, one lowercase character, and one number.
- -It must also be different from the last 6 recently used passwords
  - Once the new password had been submitted, you can log in using your email address and new Password.
