## How to Bill for Remote Patient Monitoring

Jay-Ileen (Ai) - 2023-07-27 - VSee Clinic for Providers

For Patients who are under the Remote Patient Monitoring (RPM) program, you can review their health metrics without the need to have a video consultation every time.

- 1. Click on the **Health** tab.
- 2. Click on the **patient's name**.

Note: You can also find and select the patient from the **Patients** tab.

3. Click on the **Health** tab to view the patient's Health trackers.

4. Once you're done reviewing the patient's profile, click on the **red button** at the bottom right of the page.

A pop-up window will appear. You can see the duration of the session and have the option to add some remarks.

5. Click on **Save Session**.

You can select **Resume Viewing** to go back to continue the session. Or you can choose Discard Session to delete the time log.
