

How to Cancel a Group Appointment

Jay-Ileen (Ai) - 2024-09-27 - VSee Clinic for Providers

As a Provider, you can cancel group appointments on your Calendar.

There are two ways that you can cancel a group appointment:

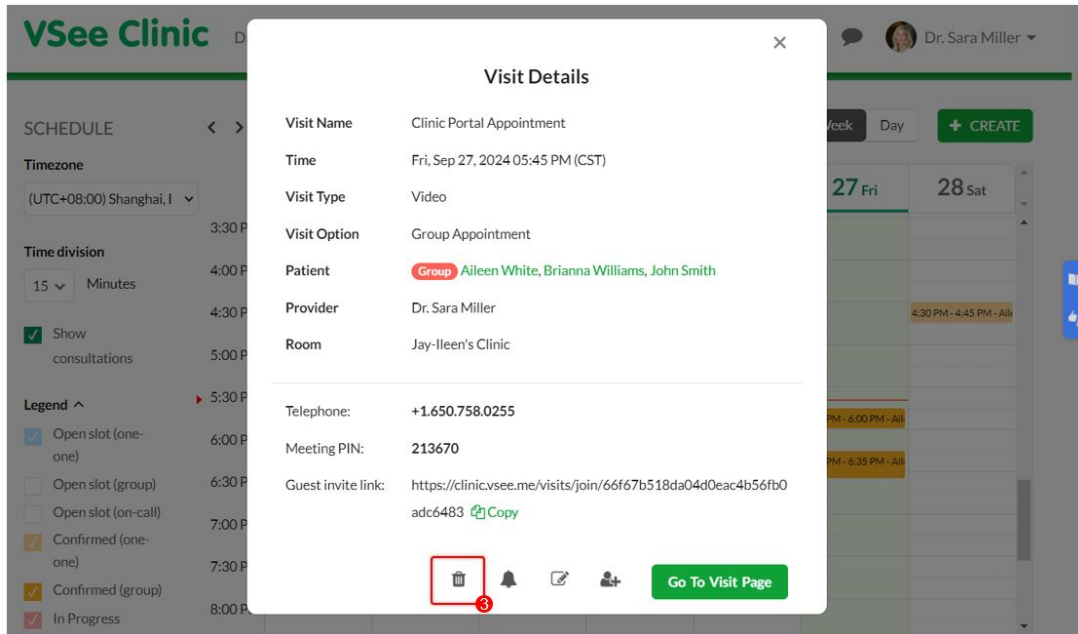

- [How to Cancel the Entire Group Appointment](#)
- [How to Cancel the Group Appointment for Selected Patients Only](#)

How to Cancel the Entire Group Appointment

1. Click on the **Schedule** tab.
2. Click on the group appointment you want to cancel.

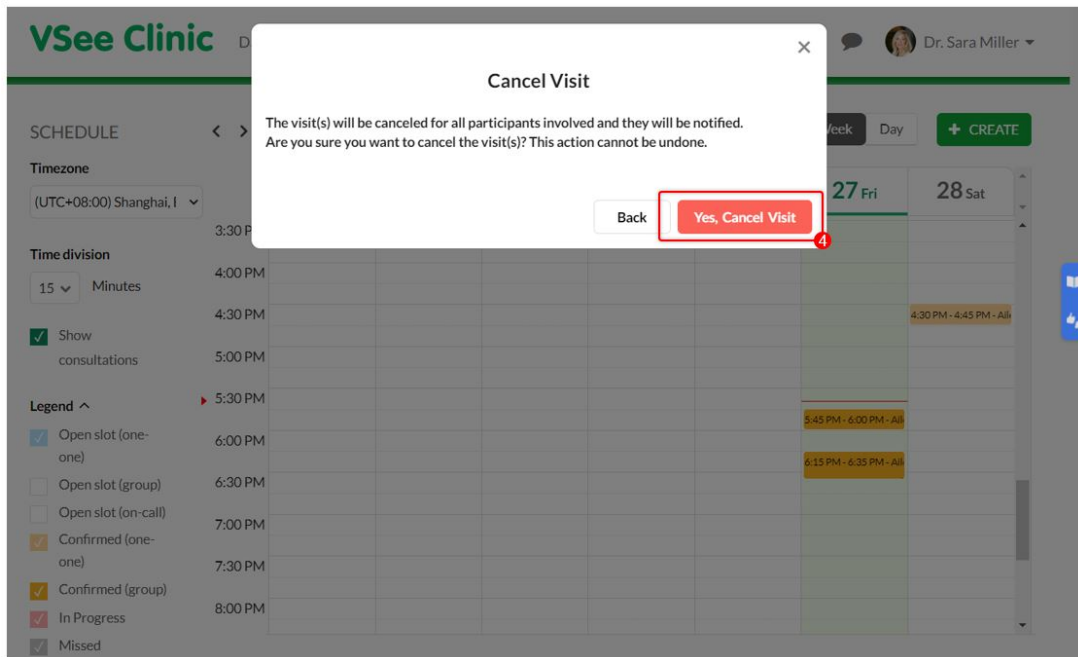

The screenshot shows the VSee Clinic interface. At the top, there are navigation tabs: Dashboard, Patients, **Schedule** (highlighted with a red box and a red '1'), Health, and e-Rx. The user's name, Dr. Sara Miller, is visible in the top right. Below the navigation, the main area is titled 'SCHEDULE' and shows a calendar for 'Sep 22 - 28, 2024'. The calendar is set to 'Week' view. On the left, there are settings for 'Timezone' (UTC+08:00 Shanghai, I), 'Time division' (15 Minutes), and a 'Legend' with various appointment status options. The calendar grid shows a group appointment on Friday, September 27, 2024, from 5:45 PM to 6:00 PM, which is highlighted with a red box and a red '2'. Other appointments are visible on Saturday, September 28, 2024, including one from 4:30 PM to 4:45 PM.

3. Click on the **trash** icon.

4. Confirm by clicking on **Yes, Cancel Visit**.

All patients will receive a notification via email or SMS that the visit has been canceled.

How to Cancel the Group Appointment for Selected Patients Only

1. Click on the **Schedule** tab.
2. Click on the group appointment you want to cancel.

3. Click on the **Edit** icon.

4. Click on the **X** button for the patient or patients you want to be removed from this visit.

5. Click on **Continue**.
