

How to Charge your Patient for the Visit

Jay-Ileen (Ai) - 2023-04-12 - VSee Clinic for Providers

There are two ways for you to process the payment for your patient's visit:

[During the Visit](#)

[After the Visit](#)

During the Visit

To charge the patient during the visit, click on the **Payment** tab on the Visit details page.

The screenshot shows the VSee Clinic interface during a video visit. The top navigation bar includes 'VSee Clinic', 'Dashboard', 'Patients', and 'Schedule'. The user 'Sarah Miller' is logged in. The main area is split into a video feed on the left and a sidebar on the right. The video feed shows a patient named Aileen White (AW) and a provider named Sarah Miller (SM). The sidebar contains patient details for Aileen White, including age, gender, address, and contact information. The 'Payment' tab is highlighted in the sidebar, and the 'Payment' section is expanded, showing the payment method as 'Visa **** 4242' and the invoice date as 'March 29, 2023'.

If the patient mistakenly selected the visit option, you can edit it by clicking on **Change** next to the name of the visit option.

An “Item Description” field will be added on top of the +Add Item button.

You can type in all the additional services that have been provided during the visit and the corresponding charges.

Note: Adding items can be done repetitively as long as they are unique from each other.
