How to Chat and Call the Patient (Free Clinic)

Jay-Ileen (Ai) - 2023-07-20 - Free VSee Clinic

You can send a direct message to your patient before the visit starts.

Note: Only you can start the chat. If you have not initiated the chat yet, the patient is not able to initiate a chat with you.

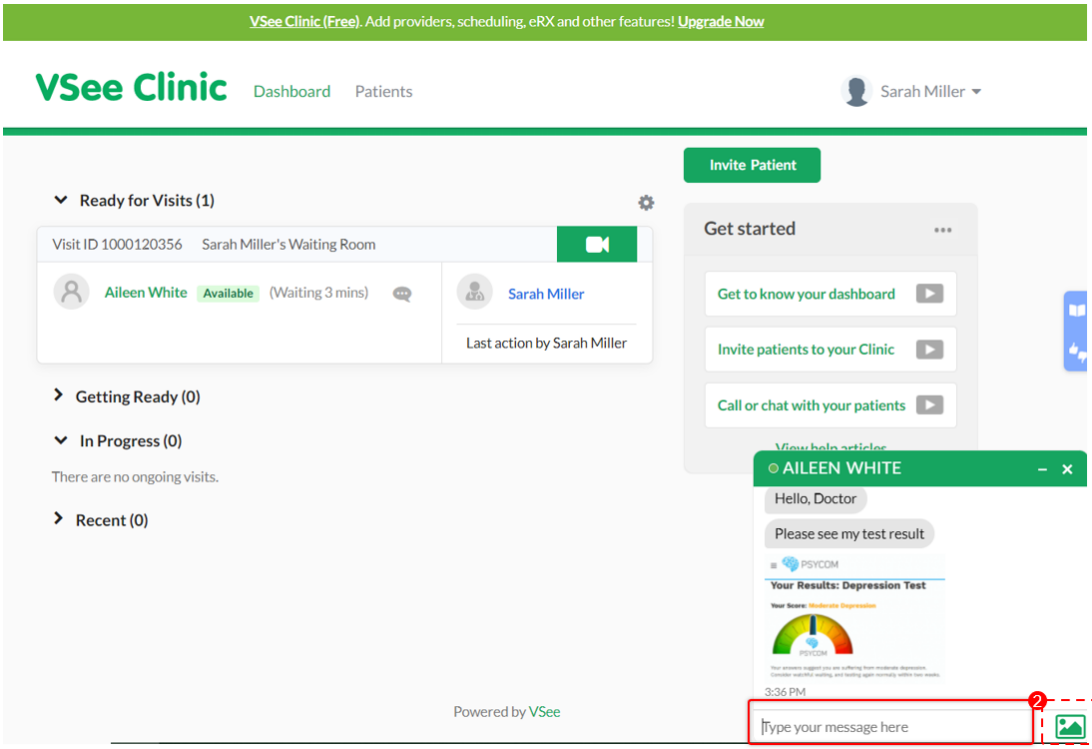

1. Click the **chat bubble** icon on the patient's visit card.

A chat window will appear at the bottom right of the screen.

2. Type in your message to initiate a chat through the field provided.

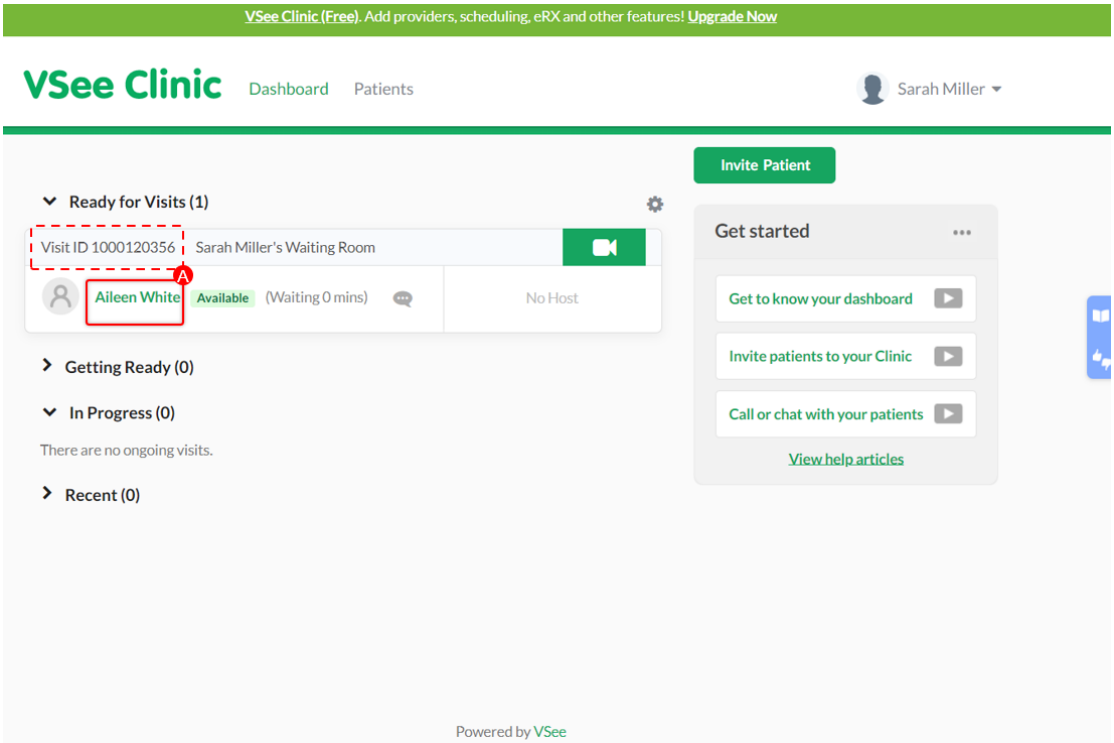

Click on the landscape photo to send a file to the patient.

You can also go to the patient's visit details page to view the visit and patient's information first.

A. Click on the **patient's name** or **Visit ID number**.

Note: Only you can start the chat. If you have not initiated the chat yet, the patient is not able to initiate a chat with you.

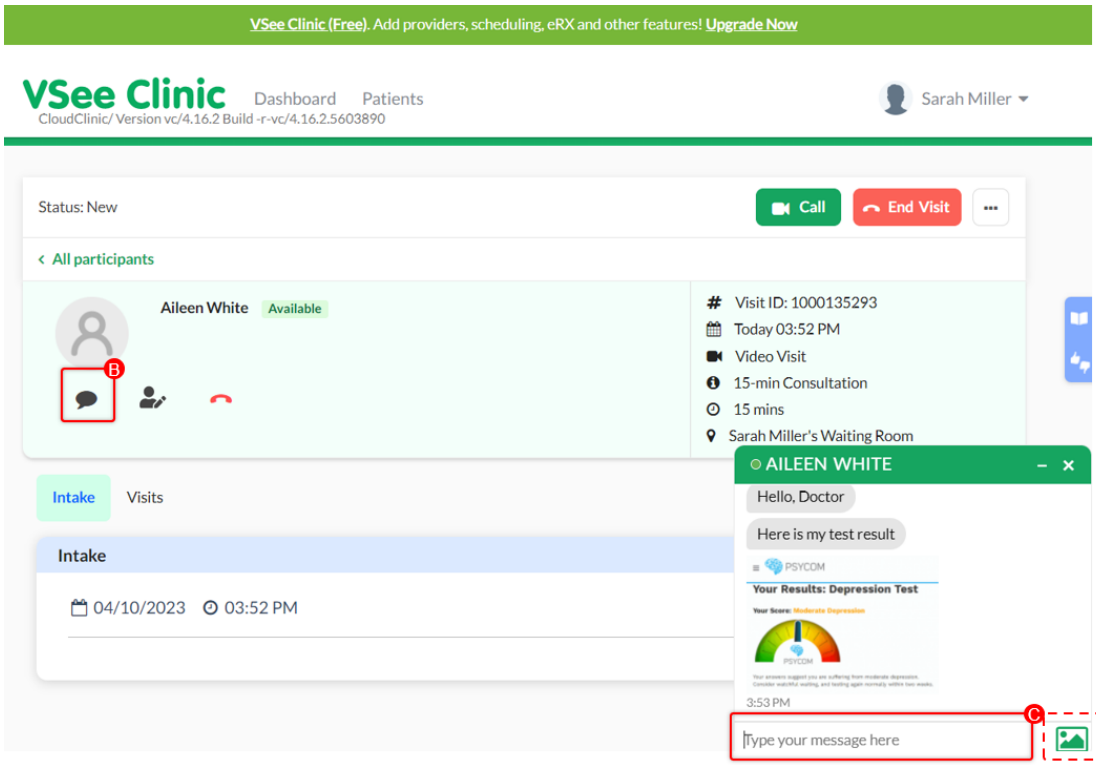

You will be routed to the Visit Details page.

B. Click on the **chat bubble** icon.

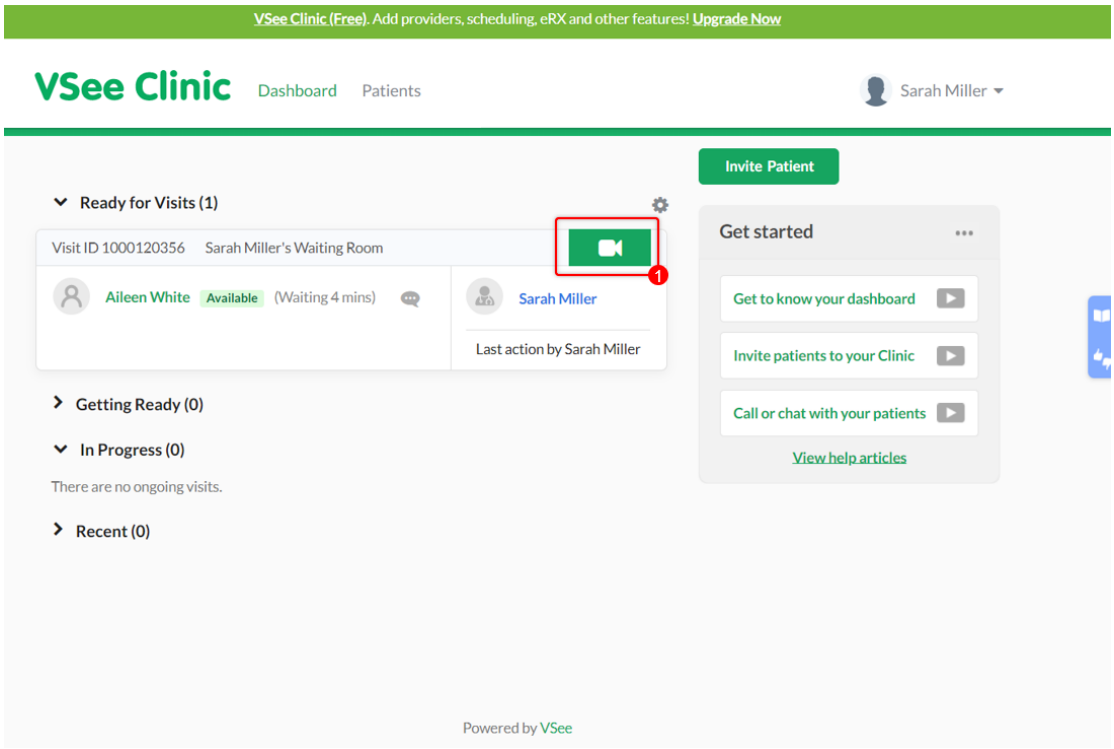

A chat window will appear at the bottom right of the screen.

C. Type in your message to initiate a chat through the field provided.

Click on the landscape photo to send a file to the patient.

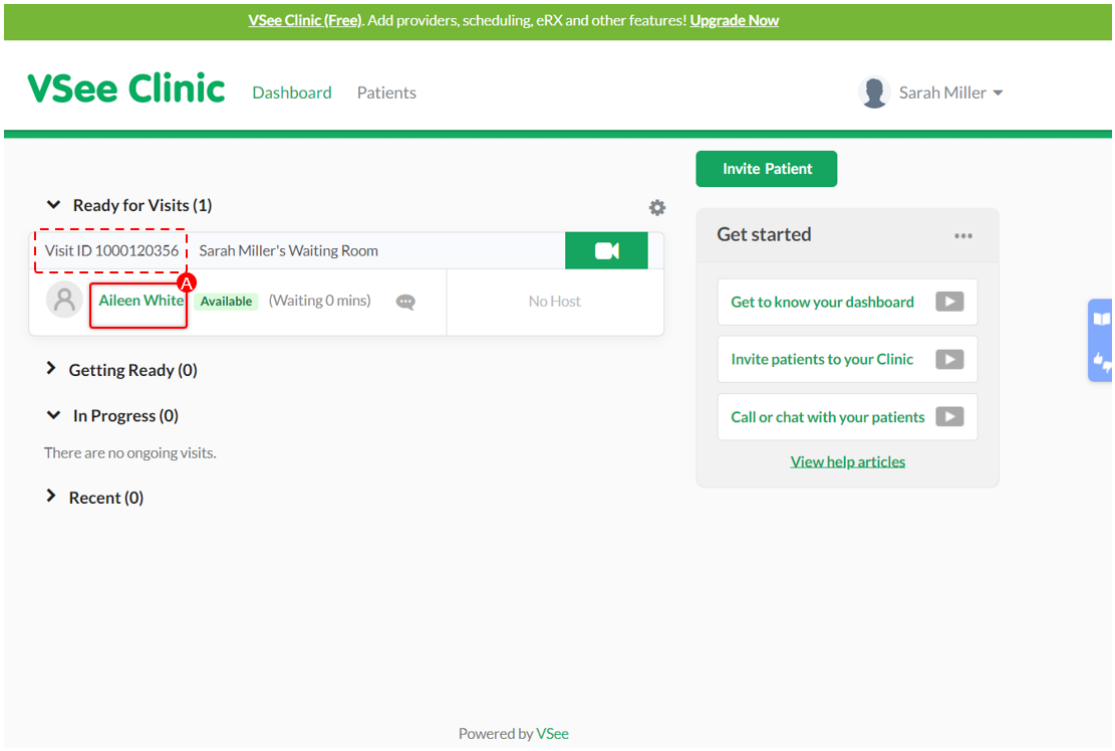

1. To initiate the call, click on the **camera** icon.

You can also go to the patient's visit details page to view the visit and patient's

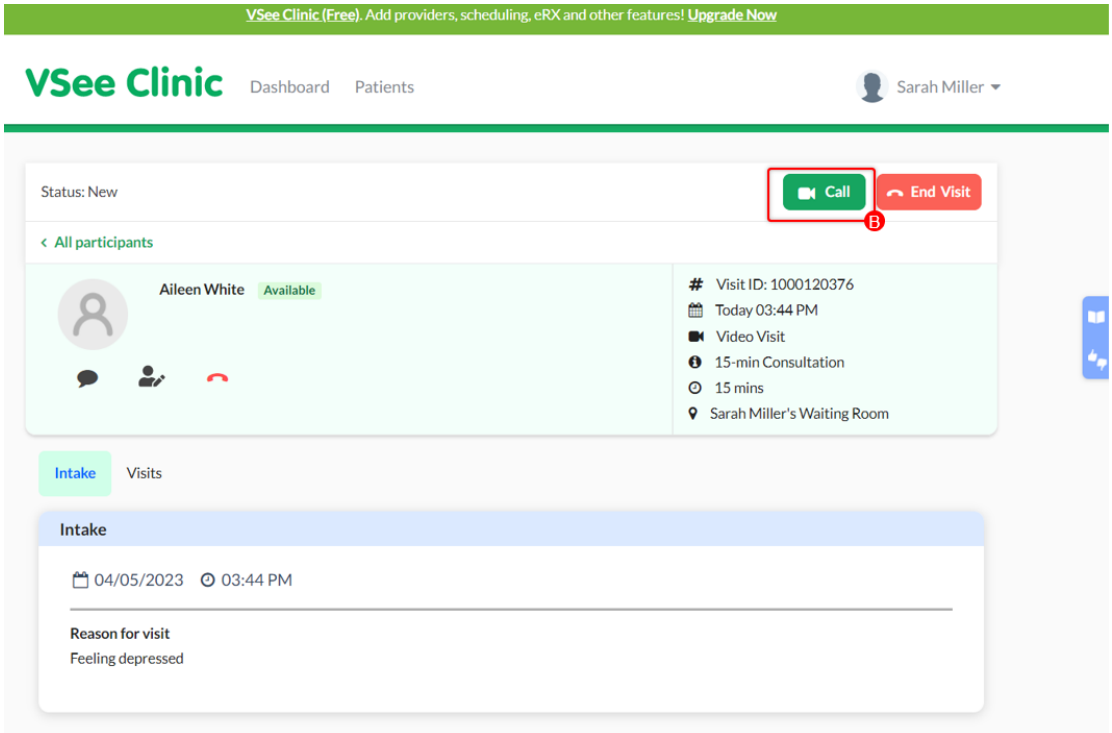

information first.

A. Click on the **patient's name** or **Visit ID number**.

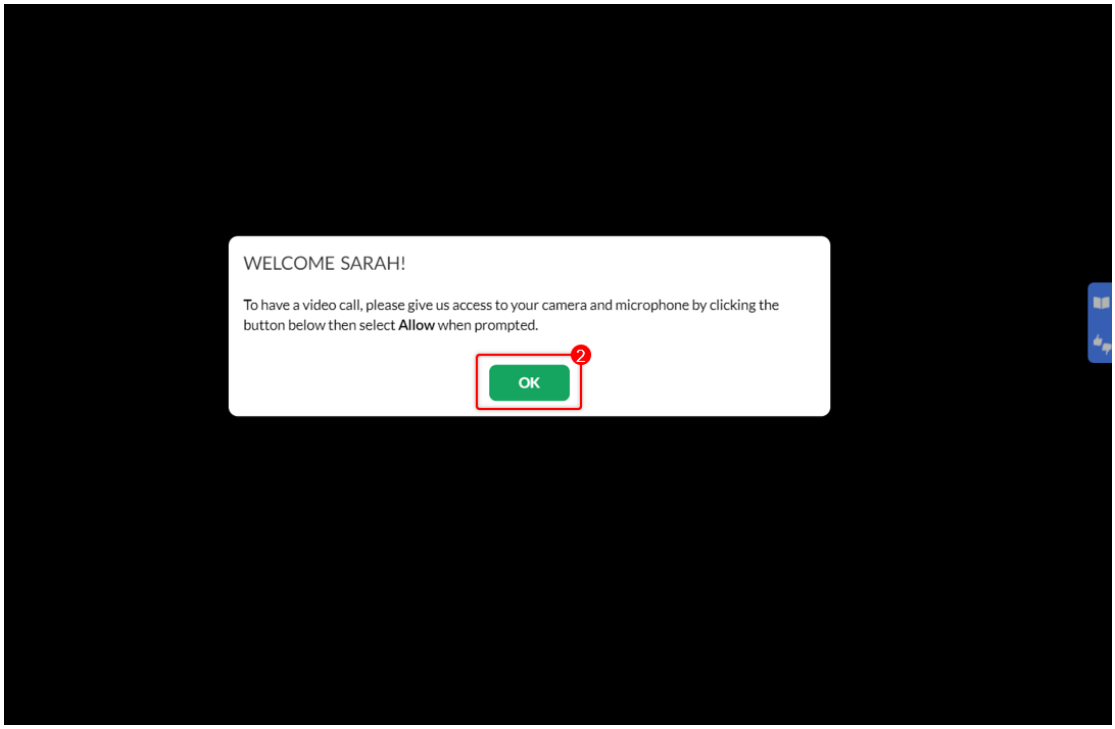

You will be routed to the Visit Details page.

B. Click on the **call** button.

After clicking on the call button, a pop-up window will appear to inform you to give access to your camera and microphone when prompted.

2. Click **OK**.

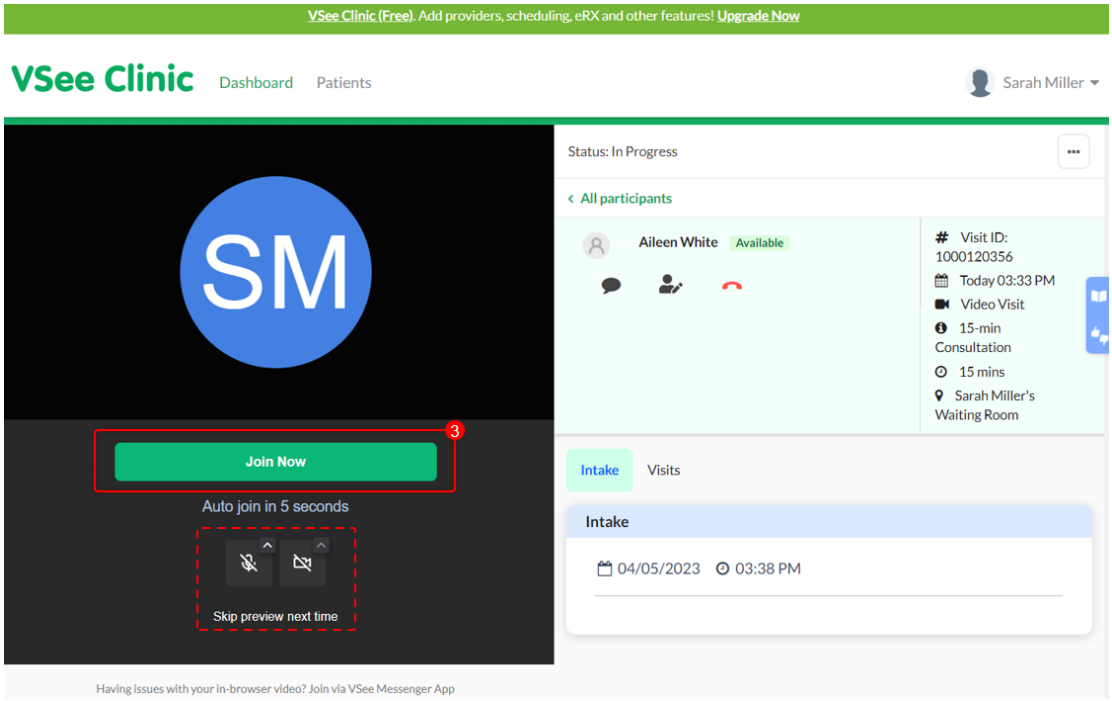

3. Click **I'm ready** to enter the Waiting Room with your patient.

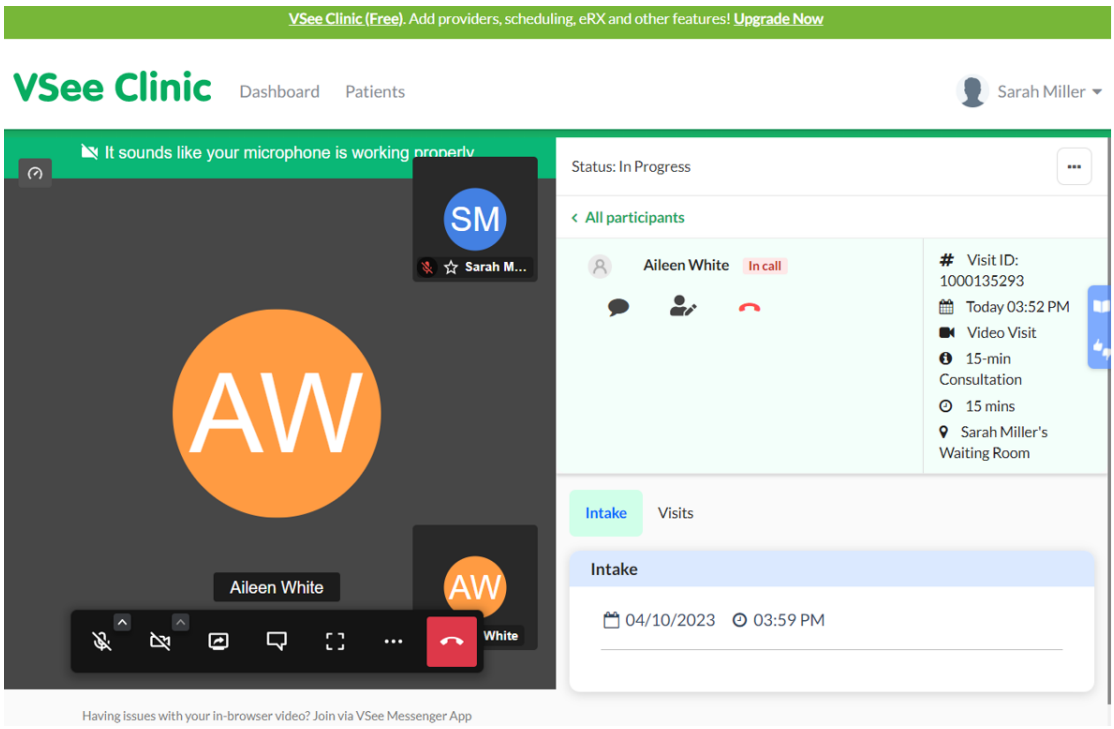

You may wait for 5 seconds to join automatically.

At this point, you may choose to turn on or off your camera and microphone.

You can also click **Skip preview next time** so you will not be prompted to click the "I'm ready" button on your next visits.

You will then be connected in the call with your patient.
