

How to Edit the Patient's EMR

Jay-Ileen (Ai) - 2023-04-12 - [VSee Clinic for Providers](#)

You can edit the Patient's Electronic Medical Records (EMR), also known as Electronic Health Records (EHR), under the **Notes** tab while you are on the call with your patient or when viewing the patient's Visit page.

Every time a Provider or clinic staff updates the patient's EMR, a time stamp, and the name of the last person who edited the patient's records will show appear.

How to Update the Patient's EMR for:

- [Past Medical History](#)
- [Past Surgeries](#)
- [Social History](#)
- [Health Habits](#)
- [Family History](#)
- [Medications](#)
- [Allergies](#)

Updating the Patient's Past Medical History:

1. Click on **Edit**.

The screenshot displays the VSee Clinic EMR interface. The top navigation bar includes 'Dashboard', 'Patients', 'Schedule', 'Health', and 'e-Rx'. The user is logged in as 'Dr. Sarah Miller, M.D.'. The main content area shows the 'Notes' tab selected, with a sub-tab for 'Past Medical History'. The 'Past Medical History' section lists 'Depression/anxiety' and 'Heart problems'. A red box highlights the 'Edit' button next to the 'Past Medical History' title. Other sections like 'Past Surgeries', 'Social History', 'Health Habits', 'Family History', 'Medications', and 'Allergies' are also visible, each with an 'Edit' button. The 'Medications' and 'Allergies' sections show 'No Known Medications' and 'No Known Allergies' respectively. The interface also includes a sidebar with a patient profile card for 'Dr. Sara...' and a large orange circle with 'AW' on the left side.

2. Select the condition/s from the dropdown under **Other Conditions**.

Note: You can select more than one, but one at a time.

3. Click on **Add** button.

You may also click “No Past Medical History.”

You may click on the **trash** icon of the condition that you want to remove or is no longer applicable for the patient.

4. Click **Done** to save changes.

Updating the Patient’s Past Surgeries:

1. Click on **Edit**.

You may click “No Known Past Surgeries.”

2. Enter the name of the procedure in the blank field.

3. Click on **Add** button.

4. Click **Done** to save changes.

Updating the Patient’s Social History:

1. Click on **Edit**.
