The screenshot shows the VSee Clinic login interface. At the top, it says "PROVIDERS" and "Log In". Below this are two input fields: "Email" and "Password". A green "Log In" button is positioned below the password field. Below the "Log In" button is a link labeled "Forgot Password?" with a red circle containing the number "1" next to it. Below the "Forgot Password?" link is an input field labeled "Enter email address" with a red circle containing the number "2" next to it. Below the "Enter email address" field is a green button labeled "Reset Your Password" with a red circle containing the number "3" next to it. At the bottom of the page, it says "Powered by VSee".

A reset password email will be sent shortly.

4. Open your email and click **Set Password Now**.

5. Enter your New Password and Confirm the Password as well.

These are the Password requirements:

- The password must have at least 8 characters.
- The password must contain at least one of the English uppercase characters (i.e. A-Z), one of the English lowercase characters (i.e. a-z), one of the base 10 digits (i.e. 0-9), and one of the non-alphanumeric (e.g. !, @, #, \$ or &)
- Please enter a password that is different than the last 6 used passwords.

6. Click **Submit**.
