How to Submit a Claim (Single Provider)

Jay-Ileen (Ai) - 2023-07-27 - VSee Clinic for Providers

Submit a medical claim to the Patient's insurance company during the visit;

Note: This feature may not be available in your clinic. Please contact [Sales](#) or your Account Manager to enable this feature.

Submitting a Claim

1. On the visit details page, click on the **Billing/Payment** tab.
2. Scroll down to view the **Create Insurance Claim** field.

5. A confirmation popup will ask to confirm the action informing you that you are about to submit a claim for this patient. Click on **Continue**.

The screenshot shows the VSee Clinic interface with a video call in progress. A confirmation popup titled "CREATE CLAIM" is displayed in the center, asking "You are about to create an insurance claim. Do you want to continue?". The popup has two buttons: "Cancel" and "Continue". The "Continue" button is highlighted with a red box and a red number 5. The background interface shows a video call with Dr. Alena Workman, patient information, and a billing section.

If ever there is an error during the creation of the claim, an error message will be displayed. You may check the claim details and try clicking “Create Claim” again.
