

How to Switch your Dashboard Version

Janette Esteban - 2024-03-25 - Getting to Know Your Dashboard

Update: March 25, 2024

We have permanently sunsetted the old Visit Page and there will be no need to do anything. To learn more about the New Visit Page, click [here](#).

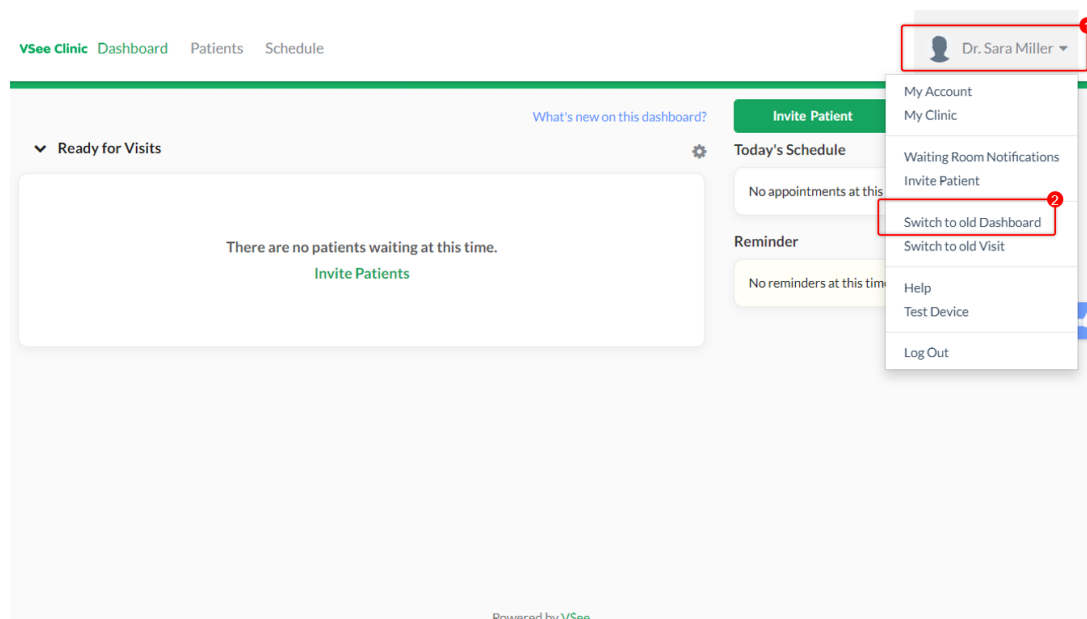

Utilize the Dashboard Switcher to switch back and forth to your preferred Dashboard version. This switcher will only be available until the end of the year 2022. In 2023, we will have the Dashboard V2 as the official Dashboard look for VSee Clinic.

Switch Back to the old Dashboard

1. Click on **your Name** or the **Profile Menu**.
2. Select **Switch to old Dashboard**.

It will switch back to the old Dashboard version. Your next log-in will automatically show the last Dashboard version selected.

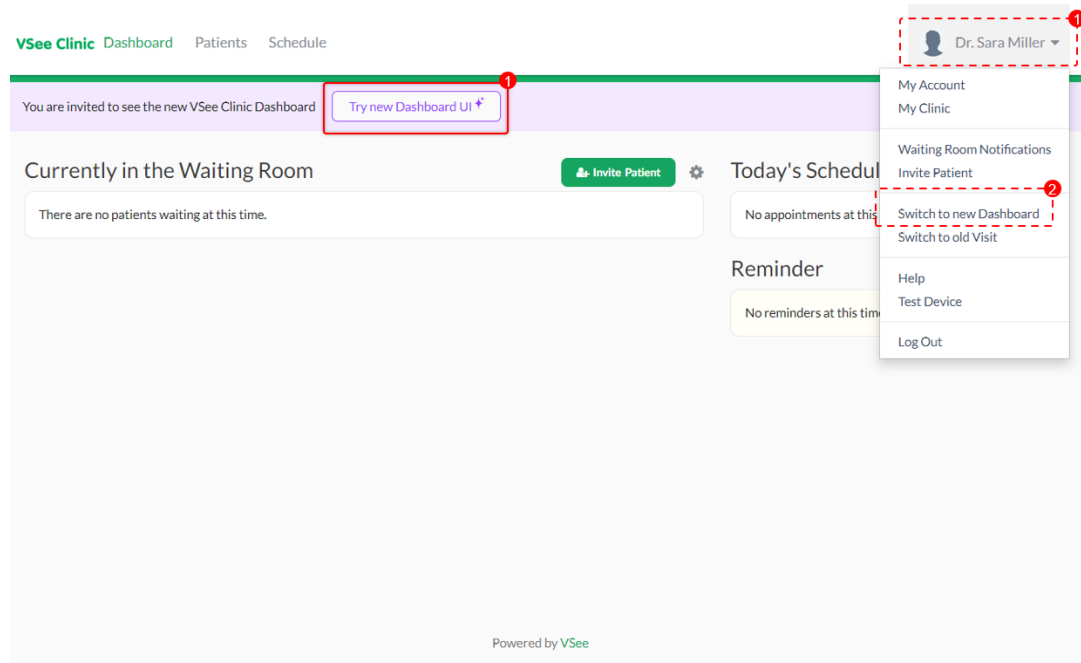

Switch to the New Dashboard

On the purple button, click on the **Try new Dashboard UI** button.

Another way:

1. Click on **your Name** or the **Profile Menu**.
2. Select **Switch to new Dashboard**.

It will switch back to the new Dashboard version. Your next log-in will automatically show the last Dashboard version selected.
