

How to Update Your Room Description

Jay-Ileen (Ai) - 2022-12-22 - VSee Clinic for Providers

As a Provider, you can update your clinic room's description on the landing page so that the Patients have information about the services you offer or some instructions for them to follow.

1. Click on **Your Name** or the **Profile Menu**.
2. Select **My Clinic**.

The screenshot shows the VSee Clinic dashboard. At the top left is the VSee Clinic logo. To its right are navigation links: Dashboard, Patients, Schedule, Health, and e-Rx. On the top right, there is a user profile for Dr. Sara Miller with a dropdown arrow. A red box labeled '1' highlights this profile. A dropdown menu is open, showing options: My Account, My Clinic (highlighted with a red box labeled '2'), Waiting Room Notifications, Invite Patient, Switch to old Dashboard, Switch to new Visit page, Help, Test Device, and Log Out. Below the navigation is a section titled 'MY CLINIC' with a sub-section 'Payment Settings'. It contains text about Stripe and a 'Connect Stripe Account' button. Below that is a section for 'Waiting Room Settings'.

3. Under **Room Description**, input the description of your clinic/room that you want to show on the landing page for the patients to see.

This screenshot shows the 'Waiting Room Settings' page. It includes a sub-section 'Waiting room settings for' with a dropdown menu set to 'Training'. Below this, it shows 'Room code: vsee-training', 'Walk-in visit hours: Open all time', and 'Visibility: Public'. A red box labeled '3' highlights the 'Room Description' field, which contains the text: 'Hi Patient, Please enter the waiting room 10 minutes before the scheduled time, and make sure to allow your microphone and camera for VSee Clinic to access. Thank you.'

4. Click on **Update** at the bottom of the page.

Service currently not available. Please check back later. Sorry for the inconvenience.

Visibility

Public - anyone can search for the room in VSee Clinic mobile app.

Unlisted - patient can only access the room using a link or a room code.
