

## How to Use the Chat Bubble

Jay-Ileen (AI) - 2023-04-14 - VSee Clinic for Providers

If you ever encounter a technical issue, the Chat bubble allows you to reach out to the VSee support team.

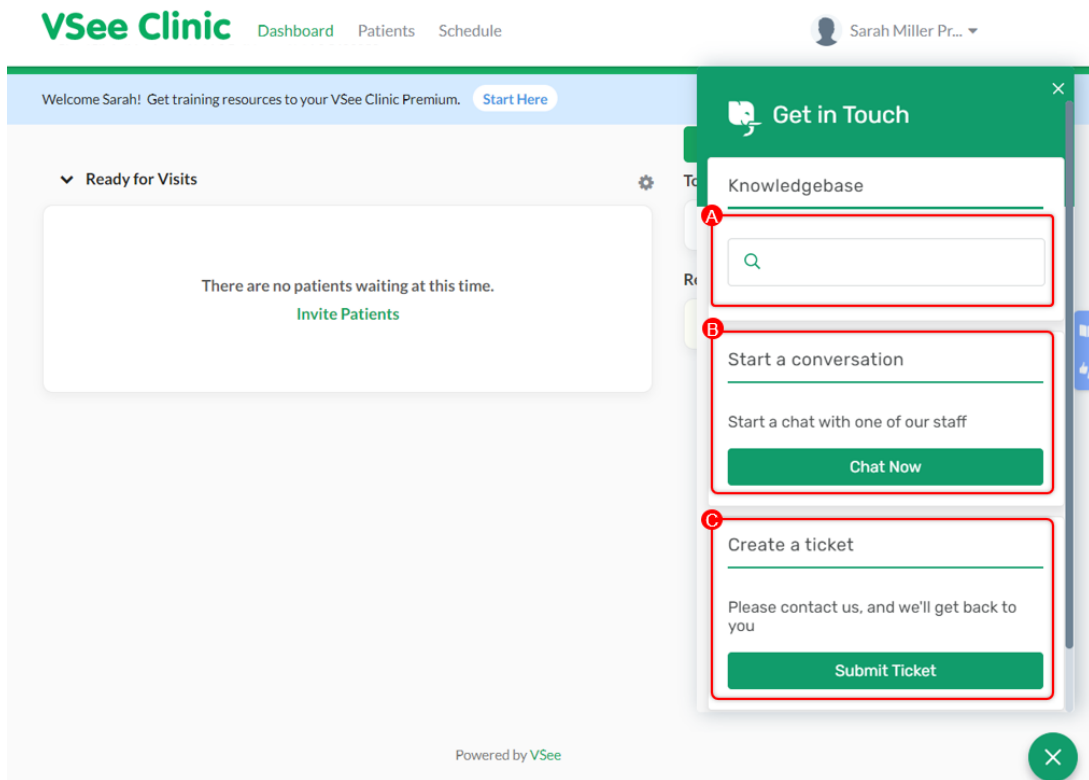

You will see the **Chat bubble** at the bottom right of your screen, anywhere inside your VSee clinic.

*Note: The chat bubble option is only available for Premium and Enterprise clinics.*

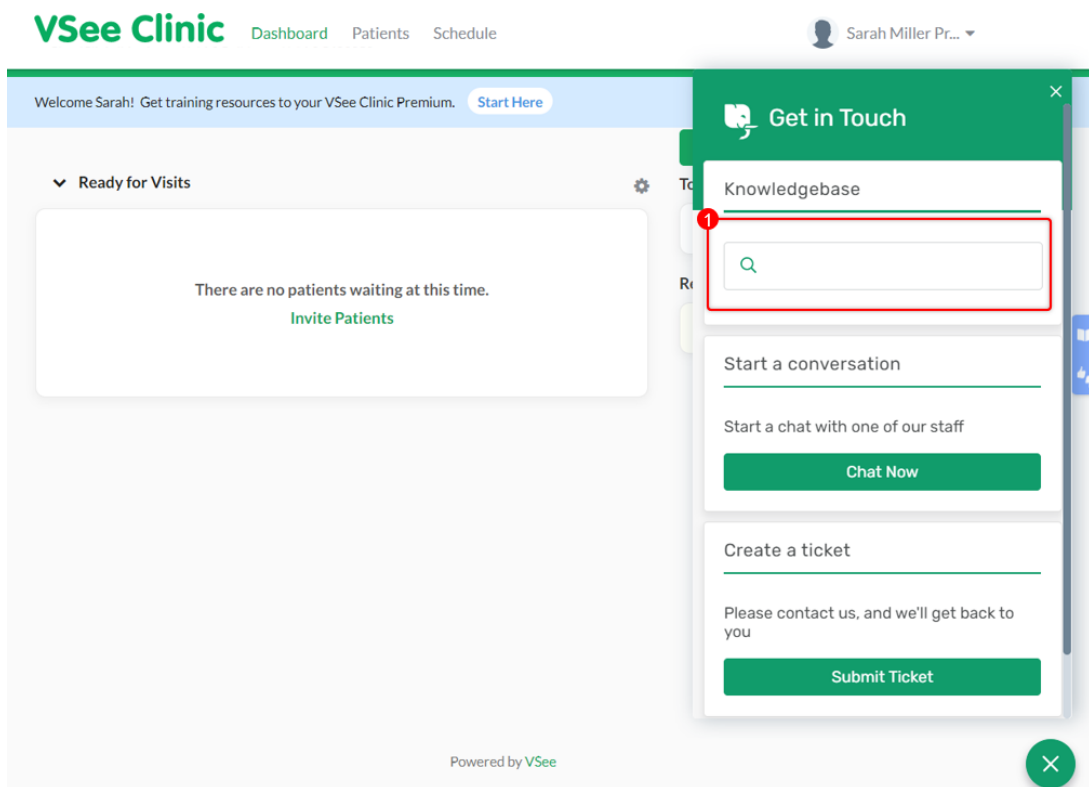

You have three options for support:

- A. [Search for a Knowledge-based Article](#)
- B. [Use the Live Chat](#)
- C. [Submit a Ticket](#)

## How to Search for a Knowledge-based Article

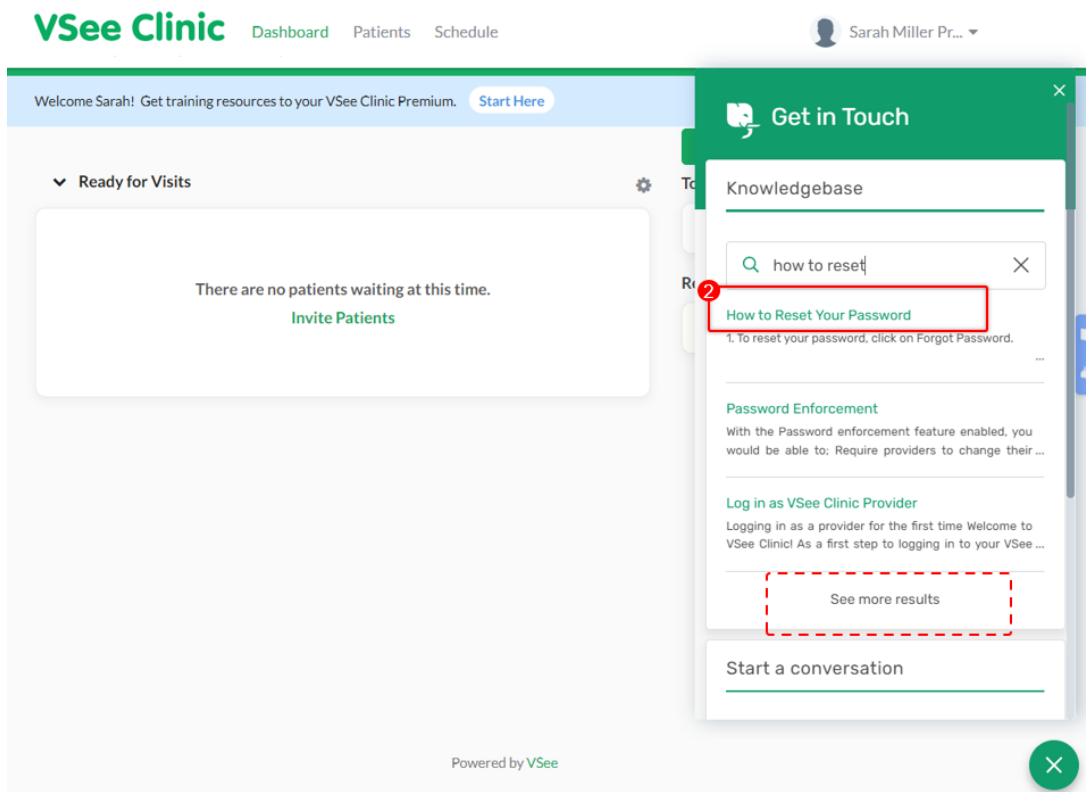

1. To search for an article related to your concern, click on the **search field** under Knowledgebase.

2. Type in your **concern/question**. And click on the **suggested result** (addressing

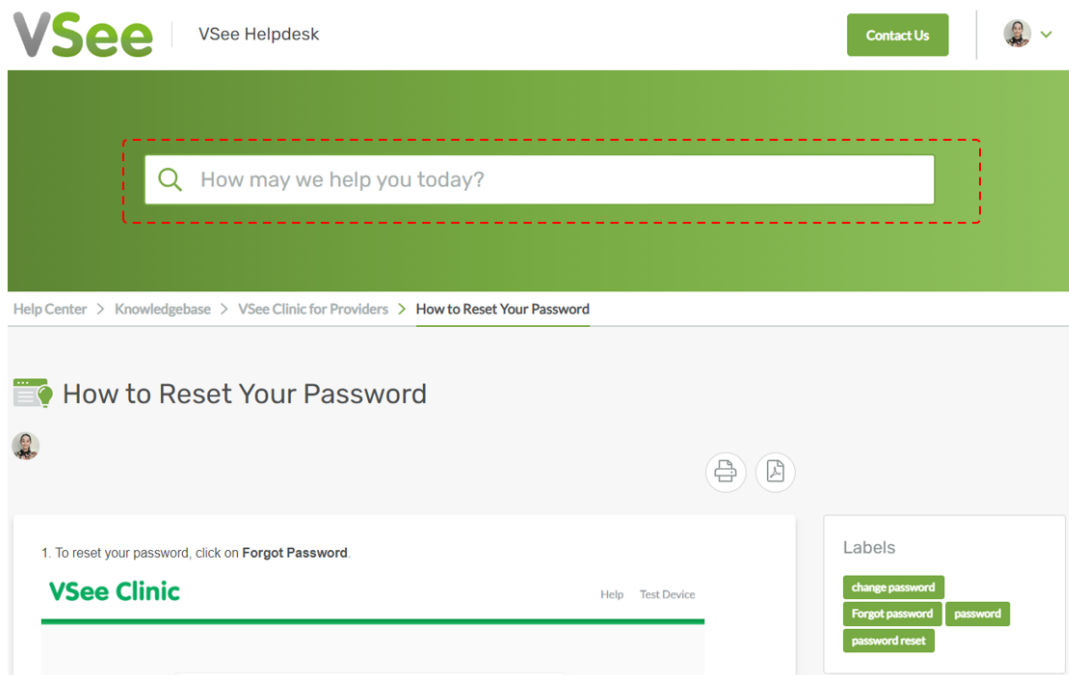

the issue).

You can also click on **See more results** to view other related results (if there are any).

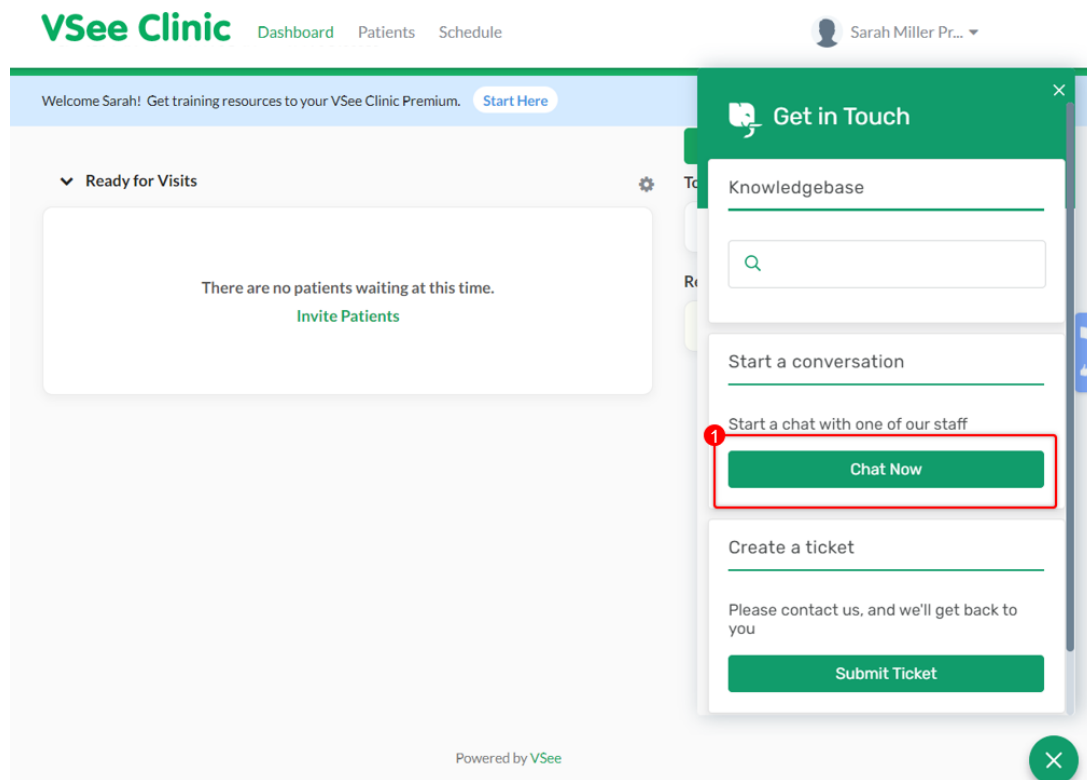

You will be routed to the VSee website - support page, where you can read the full article.

You can also utilize the search engine bar to type in other concerns/questions.

# How to Use the Live Chat

1. Click on **Chat Now** to initiate a chat with a live agent.

Your basic information - Name and email, including your phone number, are auto-populated as long you have added this information on your Profile page.

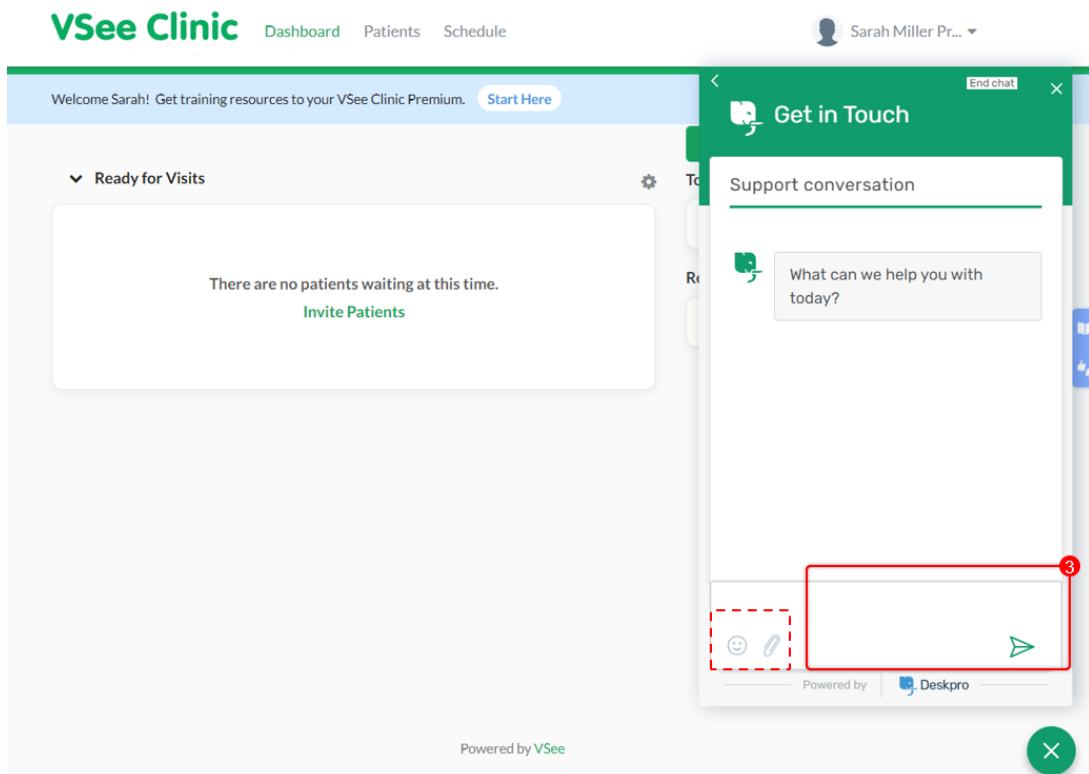

2. Click **Submit**.

3. Type in your **concern/questions** and click on the **arrow** to send.

You can also send using an emoji or attach files.

A live agent will be available to chat with you at this point.

## How to Submit a Ticket

1. Click on **Submit Ticket**.

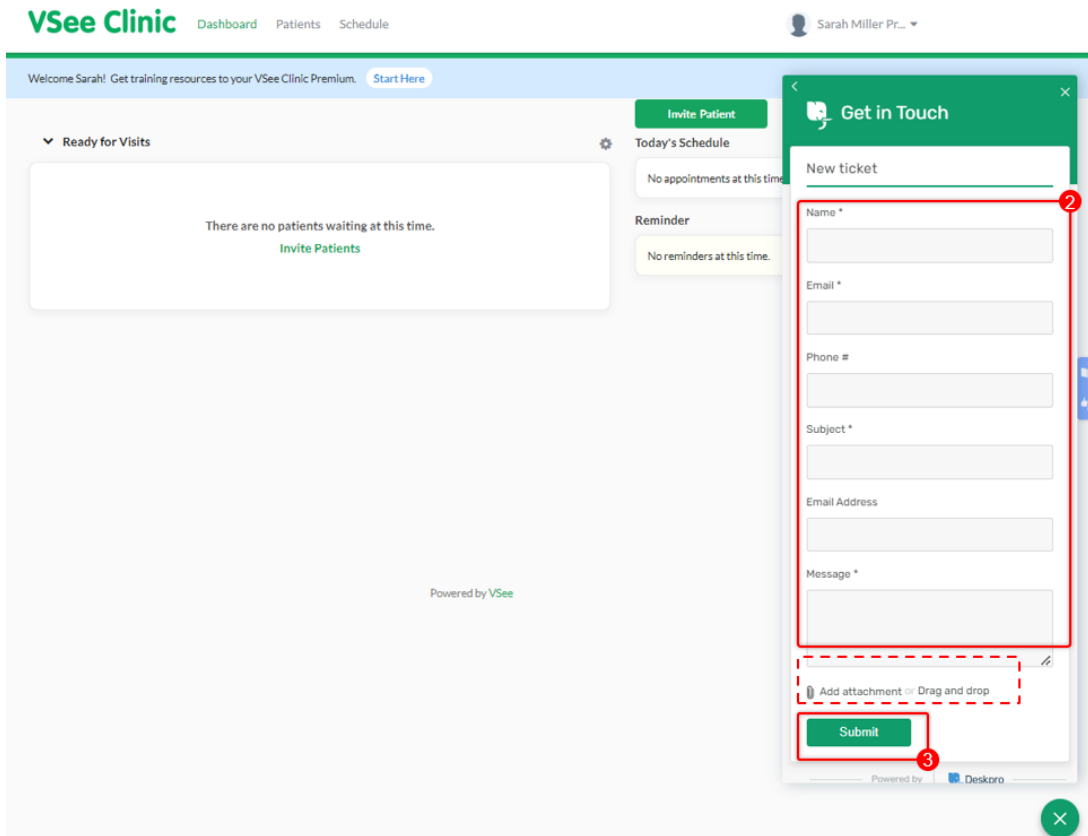

The screenshot shows the VSee Clinic dashboard. At the top, there is a navigation bar with 'VSee Clinic' on the left and 'Dashboard', 'Patients', and 'Schedule' on the right. A user profile for 'Sarah Miller Pr...' is visible in the top right. Below the navigation bar, a blue banner reads 'Welcome Sarah! Get training resources to your VSee Clinic Premium. Start Here'. The main content area is titled 'Ready for Visits' and contains a message: 'There are no patients waiting at this time. Invite Patients'. On the right side, a 'Get in Touch' sidebar is open, featuring a 'Knowledgebase' search bar, a 'Start a conversation' section with a 'Chat Now' button, and a 'Create a ticket' section with a 'Submit Ticket' button. A red box highlights the 'Submit Ticket' button, and a red circle with the number '1' is next to it. At the bottom of the sidebar, there is a close button (an 'X' in a green circle). The text 'Powered by VSee' is visible at the bottom left of the dashboard.

2. You will need to type in your Name, Email, Phone number, Subject (Concern), and Message.

The additional email address is optional.

Please make sure to add all the necessary information under "Message" to make it clear enough for the VSee support team to address your concern ASAP.

3. Click on **Submit**.

Need more assistance? Send us an email at [help@vsee.com](mailto:help@vsee.com) or check out the [Help](#) section under the Profile Menu of your VSee Clinic.
