How to View a Patient's Visit Page Janette Esteban - 2022-12-16 - VSee Clinic for Providers

Janette Esteban - 2022-12-16 - VSee Clinic for Providers

Often times, Providers need to review their Patients' details during or right after the call. However, it takes extra clicking if the appointment made is a group appointment. With the new Visit page, it is a lot easier to jump from one Patient's details to another.

Below are the steps on how you can access the Profile details of your Patients through Patient's Visit Page.

How to View Patient's Profile Details from the Visit Page

VSee Clinic Dashboard Patients Schedule Health e-Rx Dr. Sarah Mille... 🔻 Add tag Status: In Progress Add Participants 💬 Group Chat End Visit Rianna Williams In call 0 Stephany Peters In call 0 Q Mary Smith In call 0 Q Clark Smith In call ÷ 0 💂 Dr. Sarah Miller 🟠 In call Dr. Charlotte Jones 🗘 Offline æ

1. From an open Patient's Visit Page, click the **ellipsis** button.

2. Select View patient details.

Dr. Charlotte Jones 🕸 Offline	Q

3. From the Visit Details Page, you will be able to review the information of your Patient.

Click the **dropdown arrow** beside the Patient's name to switch from one Patient to another or click on **All participants** to be routed back to the Patient's Visit Page.
