

Identity Proofing for DoseSpot ePrescription (eRx)

Chi - 2024-04-03 - eRx

For Providers who have not completed the Identity Proofing Process (IDP), and new eRx subscribers from March 31, 2024, onwards - this guide will walk you through the newly introduced facial recognition identification feature for Identity Proofing of DoseSpot.

1. Once you have signed into your profile, look for the “!” next to the welcome message in the top left corner of your home page.

2. The “!” will pop up the alert seen below. Click **Please click here to complete the Identity Proofing** to begin the identity proofing.

3. A disclaimer explaining the identity proofing process and what will be needed during the process will pop up. Check the box, then click **Start** to proceed to the IDP.

Identity Proofing

Identity proofing of specific financial records is required for continued use of DoseSpot. These Services are done through the Experian agency.

In certain cases the information provided may not match Experian's electronic records and may cause verification issues. If identity verification issues continue, please contact Experian support at 800-831-5614

I hereby (i) certify that my personal and financial information provided is true and correct and (ii) authorize DoseSpot & Experian to collect data outlined in the data collection policies [here](#) as well as release and covenant not to sue specific parties outlined in the policy page link.

4. When the disclaimer is finished, you will see the first step (left picture below) in the process. You will fill out your personal information and hit next. Please be mindful of what has a red asterisk and is mandatory for completing IDP. Once "Next" is selected, you will see step 2 of the IDP. You will be asked four multiple-choice questions about your credit history. Select "Next" once completed.
