Internal Memo

Jay-Ileen (Ai) - 2023-08-07 - VSee Clinic for Providers

The new Memo tab allows you to create miscellaneous notes of the patient or of the visit. It is found on the visit details page.

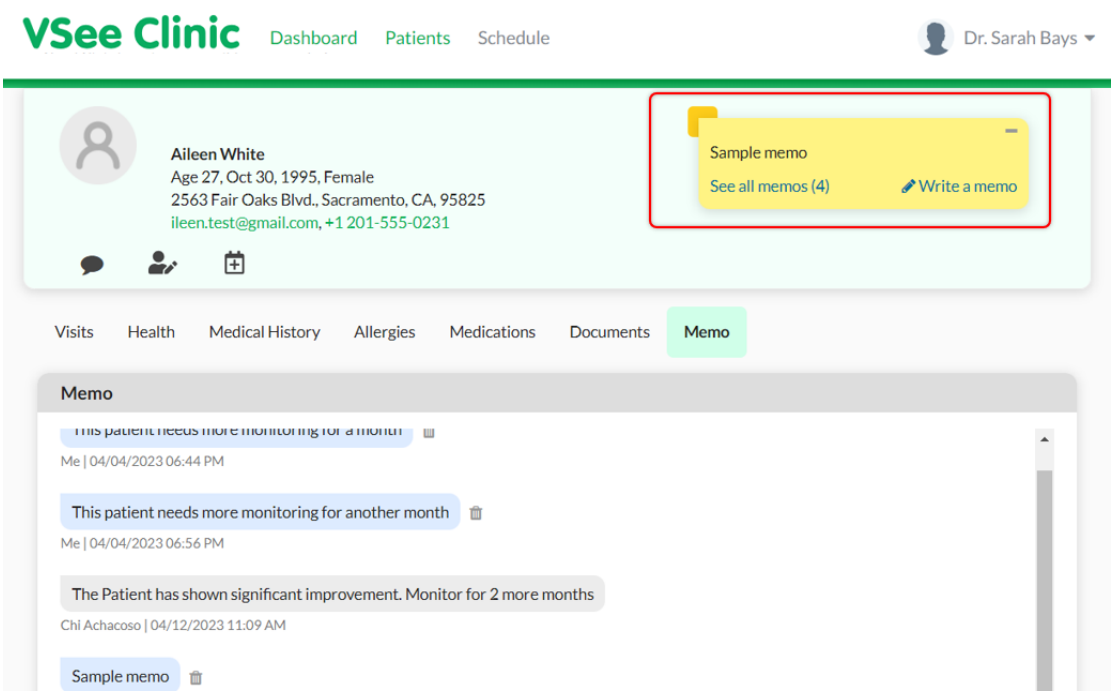

1. To create a memo, click on the **Memo** tab.
2. Enter your miscellaneous notes on the field.
3. Click on **Save**.

You can create or update the memos before/during/after the visit.

When you hover on the sticky note icon, you will see the recent internal memo.

Note: If you have existing memos for the patient, you can also create a new memo on the sticky note.

If you have any questions, please contact us at help@vsee.com.
