

Invite Guests To A Call As A Provider

- 2023-08-09 - VSee Clinic for Providers

When enabled on the clinic settings, providers and patients can invite guests to a call by using the Guest Invite Feature. This can allow providers and patients to securely bring a family member or an interpreter into a video visit using a meeting link or dial-in number. This invitation can be sent through e-mail and text message as well.

While Scheduling an Appointment

You can invite a guest to a scheduled call by following the steps below:

1. From your clinic dashboard, click on the **Schedule** tab.

2. Drag from the calendar to select the time slot for the appointment and click on **Create New Visit**.

3. Fill-in the necessary details for the visit.

4. Click on + **Other guest**.

The image shows the 'Create New Visit' form. The form has a dark background with white text. It includes the following sections:

- Visit Name ***: A text input field containing 'VSee Academy Clinic Appointment' and an 'Edit' link.
- Time ***: Includes 'Now' and 'Later' buttons, a date field 'Fri 04/08/2022', a time field '08:00 PM', and a 'Does not repeat' dropdown.
- Visit Type ***: Includes 'Video', 'Phone', and 'In Person' buttons.
- Visit Option ***: Includes a dropdown menu with '15-min Consultation' and a '+ New' button.
- Add Patient ***: Includes a search input field 'Search by name, email, phone # and more...' and a '+ New' button.
- MORE OPTIONS**: Includes '+ More provider', '+ Other guest', and '+ Reminder' buttons.

A red box highlights the entire form content, and a red circle with the number 3 is next to the 'Edit' link. Another red box highlights the '+ Other guest' button, with a red circle and the number 4 next to it. At the bottom right, there are 'Cancel' and 'Create Visit' buttons.

5. You can choose to enter the e-mail address or the phone numbers of the guests you wish to invite.

6. Once the details are complete, click **Create Visit**.

During a call

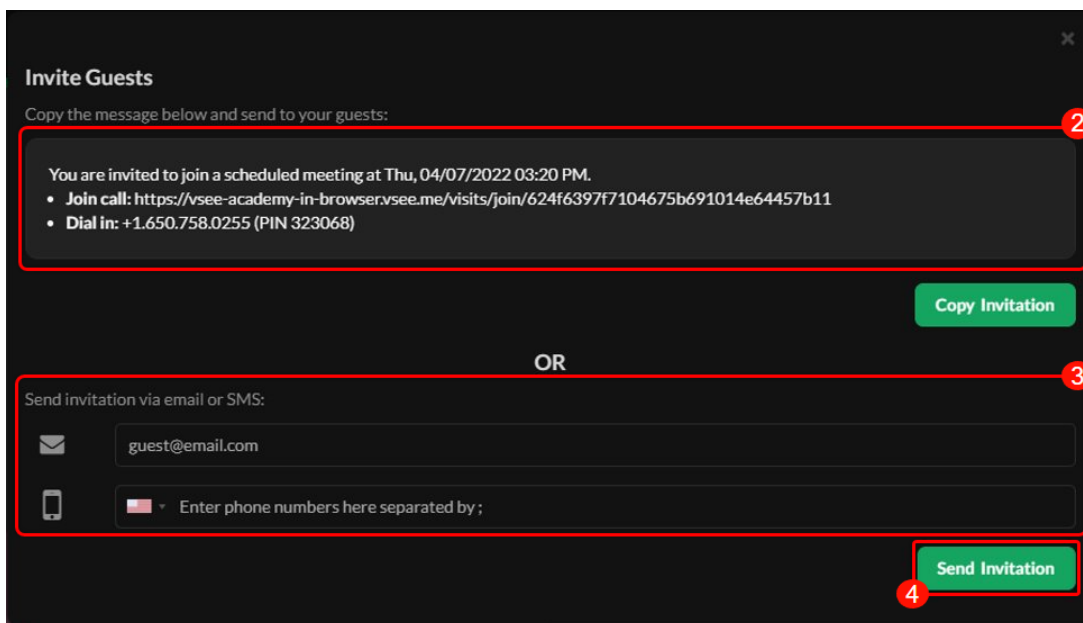

There are two ways to invite a guest while a call is already on-going:

A. From the active call window:

1. Click on the **+Person / Add Participants** button.

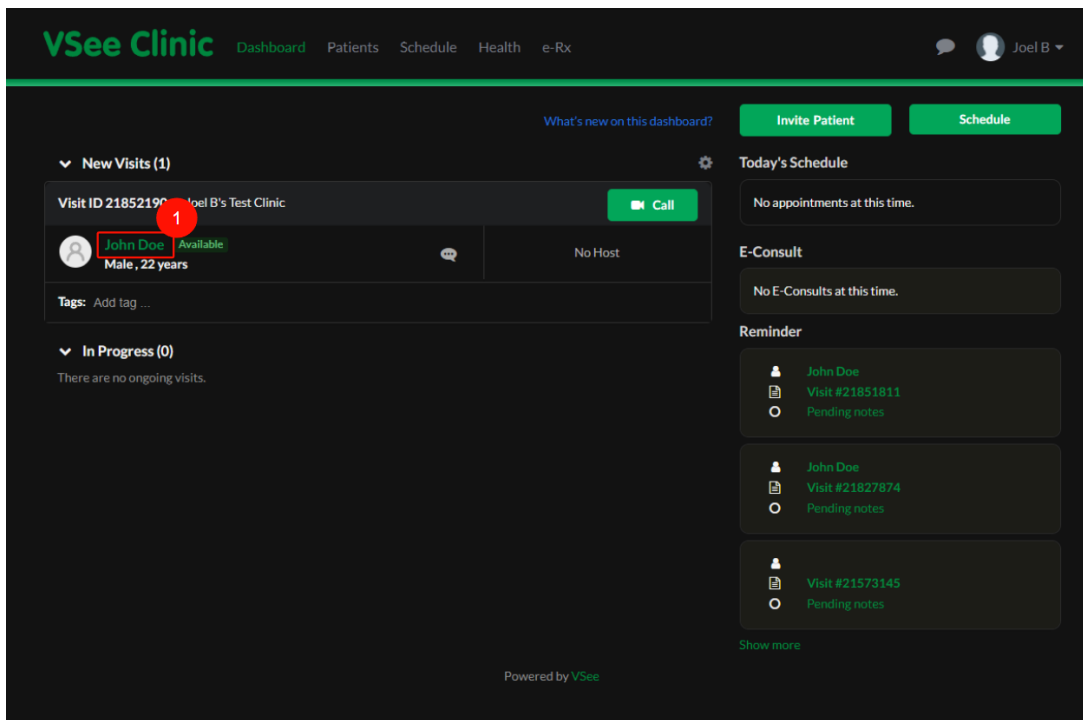

2. You will then be able to see the link (For Windows and macOS computers or Android phones, iPhones and iPads) and the Dial In number (Landline or mobile phone via cellular network).
3. You can also send the invitation link and Dial-In Number for the guest through e-mail or SMS by typing in their e-mail or phone number, respectively.
4. Once you have typed in the e-mail addresses and phone numbers, click on **Send Invitation**.

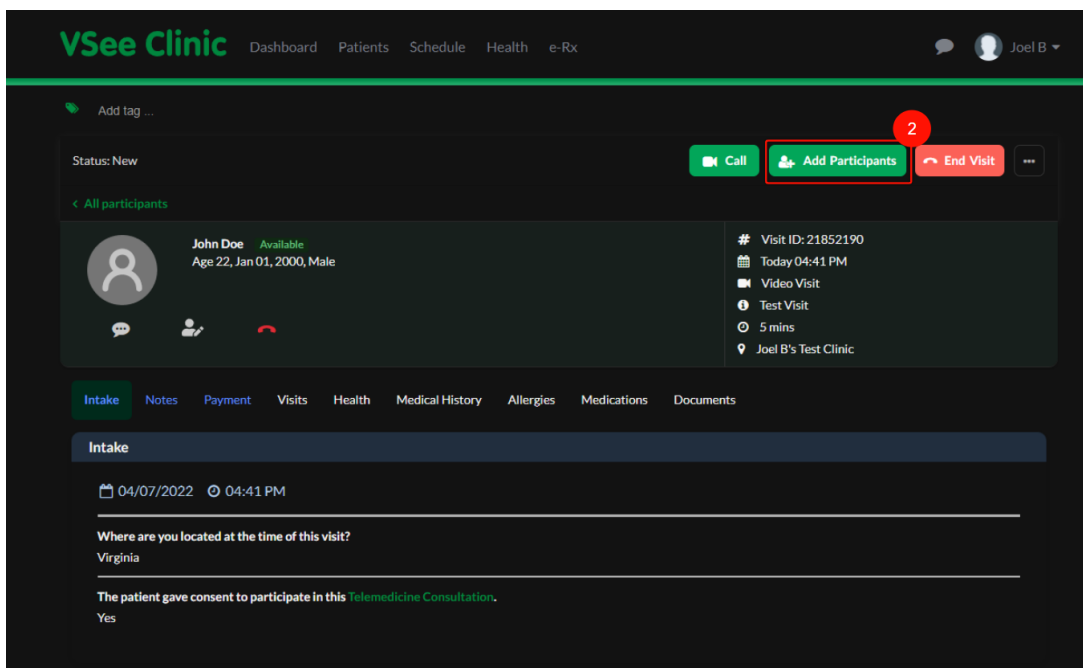

B. From the Clinic Dashboard:

1. On the waiting room dashboard, click on the **patient's name**.

2. Click on **Add Participants**.

3. You will then be able to see the link (For Windows and macOS computers or Android phones, iPhones and iPads) and the Dial In number (Landline or mobile phone via cellular network).

4. You can also send the invitation link and Dial-In Number for the guest through e-mail or SMS by typing in their e-mail or phone number, respectively.
