

How to Update Your Credit Card

Jay-Ileen (Ai) - 2026-05-07 - [VSee Clinic for Patients](#)

How to Update Your Credit Card

1. Click on your name or the **Profile Menu** in the top right corner.
2. Select **My Profile** from the dropdown.
3. Click **Credit Card** from the left sidebar.

To Remove an Expired Card:

1. Find the expired card in your list. Click **Remove Card**.
2. A pop-up window will appear. Select **Remove Card** to confirm.

Note: You'll need to have at least one active card on file. If you're removing the only card, add a new one first.

To Set a Different Default Card:

1. Click **Make Default** to the card you want to use as your primary payment method.
2. A pop-up window will appear. Click **Make Default** to confirm.

Note: This option is used when you have added more than one credit card as your payment method.
