

## Mute Chat Notifications

- 2021-10-23 - VSee Messenger (Providers and Patients)

### MUTE A SPECIFIC GROUP CHAT

Open the VSee Messenger app. Click on the **message icon** > **3 vertical dots** > **Mute Notifications**. To unmute, do the same steps.

### MUTE ALL CHAT NOTIFICATIONS WHEN IN A CALL

Open the VSee Messenger app. Click on the **gear icon** > **General** > Check **Mute chat notifications when in call**
