Review Readings

Jay-Ileen (AI) - 2023-07-25 - Patient Guides

[How to review readings](#)

To see a detailed list of your readings, touch the icon of the desired measurement type. A graph and list view of your Blood pressure or Weight readings appears. The most recent readings appear at the top of the list.

Take note, readings may be filtered by time period - Day, Week, Month.

To go back to the Home screen, touch the back arrow on the upper left side of the screen.
