SEND MEETING LINK

1. You may add participants in an ongoing call. On your video window, click **More** then **Add Participant**. In doing so, you also view the meeting link info and phone number (with PIN) assigned for that meeting.

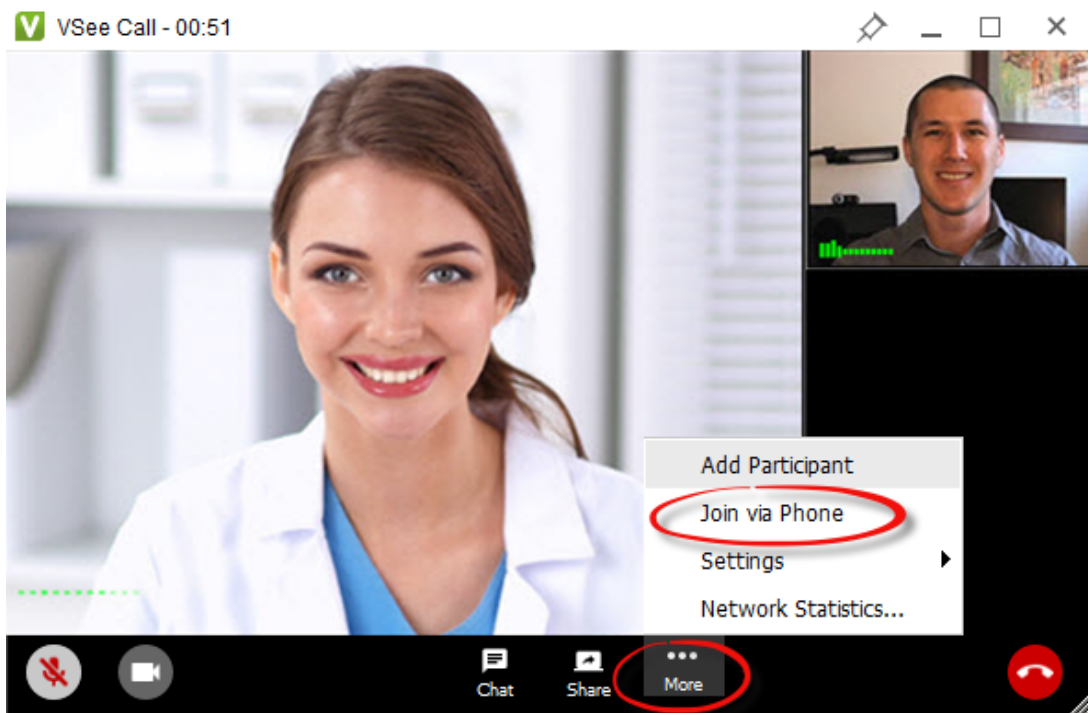

2. Click on **copy the meeting instruction** and send the details to your contacts.

JOIN A CALL VIA PHONE

If you are experiencing unexpected network or hardware issues, or simply cannot join a video call, do not fret! You have an option to join by phone dial-in.

1. On your video window, click **More** then **Join via Phone**.

2. Call the number and enter the PIN provided. Once connected, do not forget to click **Disconnect Computer Audio** to avoid echo.

Join via Phone

Done

Join the call from your phone by dialing the following number:

Phone Number: +1.650.758.0255

PIN: 706374

Once joined from phone, please disconnect your computer audio to prevent echo issues.
