Send Meeting Link | Join a Call via Phone

- 2023-07-12 - VSee Messenger (Providers and Patients)

SEND MEETING LINK

1. You may add participants in an ongoing call. On your video window, click **More** then **Add Participant**. In doing so, you also view the meeting link info and phone number (with PIN) assigned for that meeting.

2. Click on **copy the meeting instruction** and send the details to your contacts.

JOIN A CALL VIA PHONE

If you are experiencing unexpected network or hardware issues, or simply cannot join a video call, do not fret! You have an option to join by phone dial-in.

1. On your video window, click **More** then **Join via Phone.**

2. Call the number and enter the PIN provided. Once connected, do not forget to click **Disconnect Computer Audio** to avoid echo.
