### Set Up and Connect Your Stripe Account

To start collecting online credit card payments via your Clinic, you need a Stripe account. Make sure your clinic has the e-payment feature enabled. For any questions about your subscription, please contact your VSee representative or email us at [billing@vsee.com](mailto:billing@vsee.com).

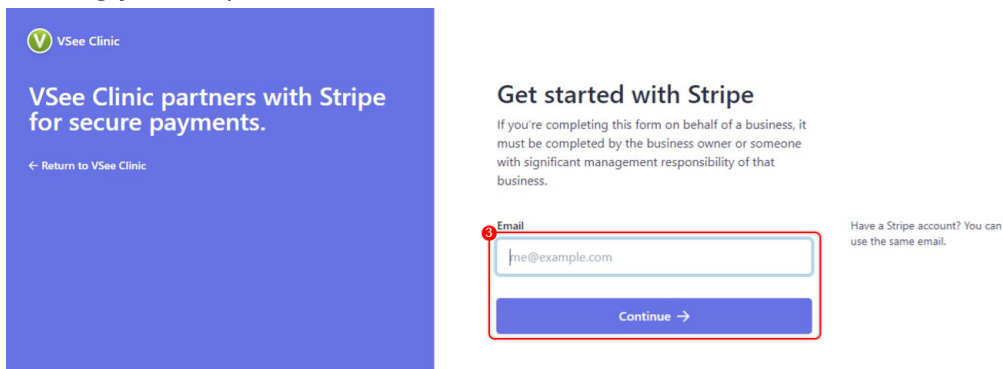

1. Please log in to your clinic. On the upper-right corner of your dashboard, click on the **Profile Menu** and then click **My Clinic**.

2. Under the Payment Settings, click on **Connect Stripe Account**.

3. You will be taken to the Stripe website. Input the e-mail address that you will be using for the account, and click **Sign In** located in the upper right corner. Otherwise, register by filling out the fields with your information to complete creating your Stripe Account.

Need more assistance? Send us an email at [help@vsee.com](mailto:help@vsee.com) or check out

the [Help](#) section under the Profile Menu of your VSee Clinic.
