Creating a Free VSee Clinic Account

1. Please go to the setup page [here](#) to create your own VSee Clinic.
2. You will be taken to the Sign Up page. Please fill in the e-mail address you wish to use for your VSee Clinic, you can also fill in your phone number should you wish to.
3. Click on **Sign Up**.

4. The screen below will be shown, confirming that an account activation e-mail has been sent to the e-mail address you entered.

5. Please check your e-mail inbox for an e-mail with the subject: "Complete your VSee Clinic Setup" and open the e-mail.

6. Click on Complete Setup.

A) In case the link does not work, you may copy and paste the link below the button into the address bar of your internet browser. You will be taken to your internet browser on the Clinic Setup screen.

 7. Fill out the information being requested on the fields. The “Work E-mail” should already have been filled out with the e-mail address you used to create the VSee Account.

Note: If you need to request a BAA (Business Associate Agreement) for HIPAA compliance, please tick the box.

8. Click on **Continue**. You will now proceed to the next part of setting up your clinic: the Personalize Your Waiting Room screen.

Personalize Your Waiting Room

The next part of setting up your VSee Clinic is personalizing the Waiting Room. Your patients will be able to see these details.

1. You can now personalize the different parts of your waiting room. Please be careful in typing your “Domain” and “Clinic Name” as editing these in the future will require admin access.

2. You can preview the changes to these elements by clicking on **Preview**.

3. This area will refresh and will update to what the Waiting Room will look like with the elements you have typed in.

4. When you are done personalizing your Waiting Room, click on **Next**. You will be taken to your clinic dashboard.

You are now ready to use your Free VSee Clinic.
