## Stripe > Manually Create Payment

April - 2019-10-31 - 0 Comments - in Stripe

1. Log-in to your account at <https://dashboard.stripe.com/login>
2. Under the search bar, look for your client by typing any specific detail e.g. email address.

3. Click on one of the results. Make sure you have the correct client record.
4. On the client's record, scroll down up until the **Payments** section. Click on the **+ Create payment** button.

5. Fill out the fields with the required information. Click **Charge Customer**.
