Tips and Tricks During a Large Group Call

Perry - 2023-07-10 - FAQs

- Have participants with low upload bandwidth mute their video.

- Mute your audio while not talking and unmute when you need to talk to.

- If you are sharing an application, consider sharing only the relevant areas by making it smaller.

- Make sure no other applications (or devices on your network) are using up bandwidth (downloading, streaming media, etc.)

- Plug in a network cable instead of Wi-fi.
