

Verify tax information on Stripe for payments

Demi - 2023-07-17 - Stripe

The following information is for our customers who haven't gotten their tax information on Stripe verified. See below to check on the status, and how to update information if not yet verified. If the tax information is not verified, Stripe will stop the account from making charges and receiving payouts.

Check Verification Status

Make sure that the status is VERIFIED on this page -

<https://dashboard.stripe.com/settings/taxation>

The screenshot shows the Stripe dashboard interface. At the top, there is a navigation bar with a search bar and a dropdown menu for 'VSee Clinic'. Below the navigation bar is a menu with options: Home, Payments, Balances, Customers, Products, Reports, Connect, and More. The main content area shows the 'Settings' page with 'Tax details' selected. A red box highlights the 'Tax information' section, which displays 'Verified' with a green checkmark icon. Below this, there is explanatory text about the need for tax information and a warning about account requirements.

Settings > Tax details

Tax information Verified ✓

We need to collect this information so we can submit accurate tax reports.

Updating this information may introduce new account requirements, listed on your [business](#) same. To prevent disabled charges or payouts, you must resolve all requirements by the end

Update Business Information

If it is not verified, you can update the business information as an account owner of the Stripe account by going to -

<https://dashboard.stripe.com/settings/update>

IMPORTANT! The combination of your name and Employer Identification Number (EIN) must exactly match the one listed on your IRS documents (e.g., Letter 147C or SS-4 Confirmation letter), including capitalization and punctuation.

Scope and Limitations:

- The information above is for our customers who haven't gotten their tax information on Stripe verified.
