## What Are The Recommended Webcams?

- 2020-01-30 - VSee Messenger (Providers and Patients)

Please visit <http://vsee.com/blog/best-webcams-video-calling-review/>.

Other good cameras that work well with VSee are the **Logitech cc3000e**, **PTZ Pro** and **PTZ Pro 2**.

Other similar web cameras are also fine. Please look for "HD 720P" and "auto focus".
