

What's in the Visits Tab?

Jay-Ileen (Ai) - 2023-08-12 - Getting to Know Your Dashboard

When you are on the call with your patient or when you are viewing the Visit page of a patient, you will find the **Visits** tab. Instead of going to the Patients tab, this is a shortcut to the patient's upcoming visits and past visits.

The screenshot shows the VSee Clinic interface. The top navigation bar includes 'VSee Clinic', 'Dashboard', 'Patients', 'Schedule', 'Health', and 'e-Rx'. The right side shows a user profile for 'Dr. Sarah Miller'. The main panel has a sidebar with 'Intake', 'Notes', 'Payment', 'Visits' (highlighted with a red box), 'Health', 'Medical History', and 'Allergies'. The 'Visits' tab is active, showing a table of upcoming visits. The table has columns: Visit Time, Type, Provider, Visit Status, Amount, and Action. The first row shows a visit on 12/19/2022 at 05:50 PM, Type: Video, Provider: Dr. Sarah Miller, M.D., Visit Status: In Progress (Patient in waiting room), Amount: USD 0, and a 'View' link. Below the table, it says 'Showing 1 to 1 of 1 entries'. There is also a 'Past Visits' section below the upcoming visits.

Visit Time	Type	Provider	Visit Status	Amount	Action
12/19/2022 05:50 PM ID: 933514853	Video	Dr. Sarah Miller, M.D.	In Progress (Patient in waiting room)	USD 0	View

You can view the details of the upcoming scheduled appointments of the patient.

This screenshot is identical to the one above, showing the VSee Clinic interface with the 'Visits' tab selected. The 'Upcoming Visits' table contains one entry for a video visit on 12/19/2022 at 05:50 PM with Dr. Sarah Miller, M.D., in progress, with a USD 0 amount. The 'View' link is highlighted. The 'Past Visits' section is also visible below the upcoming visits table.

12/19/2022 05:50 PM ID: 933514853	Video	Dr. Sarah Miller, M.D.	In Progress (Patient in waiting room)	USD 0	View
