

## Where do I get my Room code or Room ID?

Jessica - 2023-08-09 - Basic Workflow

The “Room Code” is a unique name/code that identifies your Clinic when using the “VSee Clinic for Patient” App on mobile devices. This is needed for your patients to enter your virtual waiting room.

### Finding the Room Code as a provider

You can get your Room Code by following the instructions below:

1. Log in to your VSee Clinic to reach the clinic dashboard. You can login from

<https://www.clinic.vsee.me>.

2. If you need help with logging in as a provider, please refer to this article - [Log in as VSee Clinic Provider](#)

3. From your clinic dashboard, click on the **Profile Menu** from the upper-right corner of the screen. Click on **My Clinic**.

4. You can find the Room Codes per waiting room listed under **Waiting Room Settings** if there are multiple waiting rooms under your clinic; otherwise, there will only be one room code listed.

5. You can also copy the code under **Room Code**.

### Finding the Room Code as a Patient

As a patient, you can find the Room Code of your provider on the Clinic Landing

Page. There are two ways to reach the Clinic Landing Page:

### **Using the link to the clinic of your provider:**

If you have the unique link to the clinic of your provider, simply open it on your internet browser. You can find the room code above the entry options for their clinic.

### **Searching for your provider's clinic from the VSee website**

If you do not have the link to the Clinic of your provider, you can search for it using the instructions below. Please note that you will only be able to search for Clinics that are marked by the provider as visible to be searched from the site.

1. Go to [Patient page](#) and type in the name of your provider under **Find Your Provider** and press **Enter** on your keyboard on your computer (or **Go** if you are using a mobile device).
2. If your provider's Clinic had been found, click/tap on it to be taken to the Clinic.

### **Using the Room Code on the VSee Clinic for Patient App (Android and iOS/iPadOS devices only)**

1. Open the VSee Clinic for Patient App and tap on **I have my provider's clinic or room code.**

2. Tap the **Enter Clinic or Room Code** field and type in the Room Code.
3. Tap **Next.**

You will now be taken to the Clinic Page of your provider.

### **Scope and Limitations**

- The Room Code is only used for the VSee Clinic for Patient App on mobile devices. There is no other use for this code as of the moment.
- You may not be able to find your provider on the VSee website depending on the settings they have made for their clinic.
