VSee Messenger 4.21.1 - Virtual Background Enhancements and Other Improvements

2024-05-01 - Jay-Ileen (Ai) - VSee Messenger

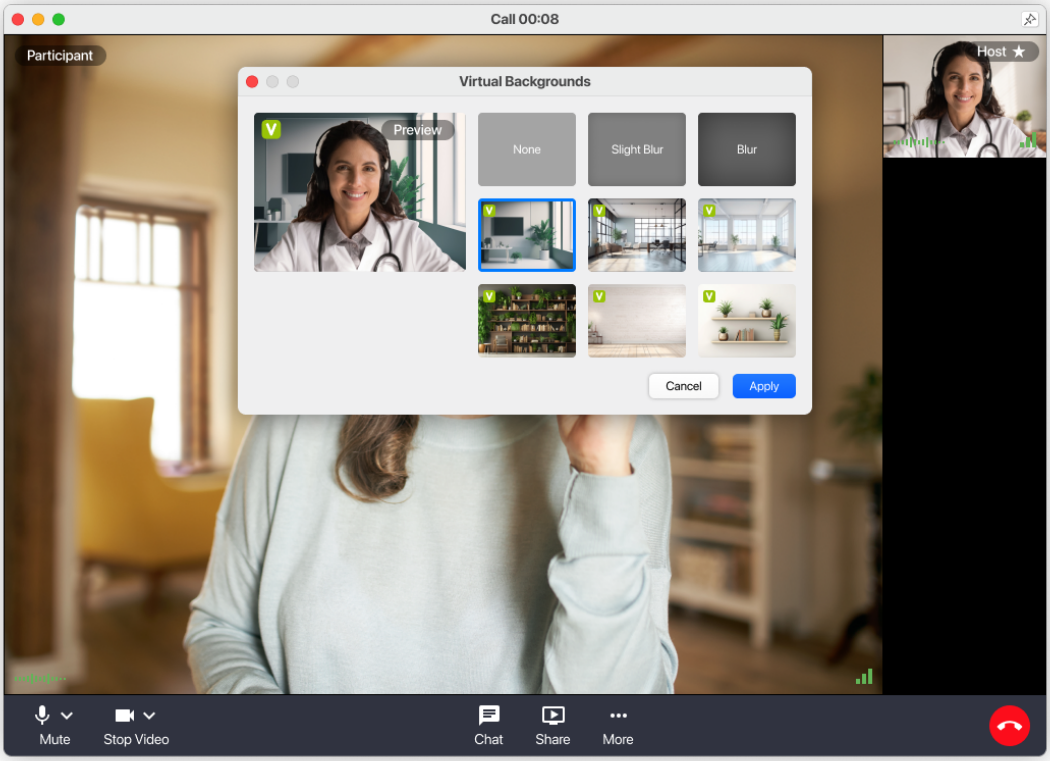

We're releasing a new version of VSee Messenger on April 29 with the following improvements:

Virtual Background Enhancements

- Reduced flickers and softer edges to make virtual backgrounds more natural and realistic
- VSee Clinic users who have custom backgrounds can now also use them on VSee Messenger
- Added multiple languages support for virtual background on Windows

Note: These improvements are available for Desktop users only.

Learn more about Branded Virtual Background Requirements here.

Other improvements and bug fixes

- Fixed lost connection issue after waking up Mac from sleep
- Fixed app crashes

Upgrade to the latest version of VSee Messenger here on the day of the release to ensure you get the best experience.
