VSee Clinic Mobile 1.14 - Patients Can Now Search for Waiting Rooms

2020-05-20 - - VSee Clinic

We have added a new feature so patients can instantly search for your waiting room(s) from the **VSee Clinic mobile app**. This feature is turned off by default but if you (provider or clinic admin) would like to enable it, please log in to your clinic and/or admin panel and choose "Public".
