VSee Clinic 4.8.0 – New Dashboard & Multi-hosted Visits

2021-07-29 - Patty - VSee Clinic

Get smoother, faster telehealth delivery and management with the release of VSee Clinic 4.8.0

- New! Redesigned Provider Dashboard.
- How to switch back to the old Dashboard.
- New! Multi-hosted Appointment Visits.

1. New Redesigned Provider Dashboard

The new dashboard clarifies patient and meeting status to improve your triage capability and front office coordination so you get a smoother virtual care delivery experience.
